Behavioral health (mental health/substance use disorder)  
Sometimes, dealing with all of the tasks of a home and family can lead to stress. Stress can lead to depression and anxiety. It can also lead to marriage, family and/or parenting problems. Stress can also lead to alcohol and drug abuse.

If you or a family member is having these kinds of problems, you can get help. Call Amerigroup Community Care Member Services at 1-800-600-4441 (TTY 711). You can also get the name of a behavioral health specialist who will see you if you need one.

Your benefits include many medically needed services, such as:
- Inpatient mental health care
- Outpatient mental health care and/or substance abuse treatment
- Partial hospitalization
- Mental health rehabilitative treatment services

You don’t need a referral from your PCP to get these services or to see a behavioral health specialist in your network.

If you think a behavioral health specialist does not meet your needs, talk to your PCP. He or she can help you find a different kind of specialist.

There are some treatments and services your PCP or behavioral health specialist must ask Amerigroup to approve before you can get them. Your doctor will be able to tell you what they are.

If you have questions about referrals and when you need one, contact Member Services at 1-800-600-4441 (TTY 711).
Welcome to Amerigroup Community Care. We’re glad to have you as a member. This handbook tells you how Amerigroup works and how to help keep your family healthy.

You’ve probably already received your Amerigroup member ID card. If not, you should receive it in a few days. Your ID card tells you when your Amerigroup membership starts. The name of your primary care provider (PCP) is on the card, too. Please check your ID card right away. If the name of your doctor or any other information isn’t right, please call us at the phone number listed on the card. We’ll send you a new ID card with the correct information. If you have a new doctor, make an appointment with him or her soon to discuss your health needs.

With Amerigroup, you get your regular Medicaid and Nevada Check Up benefits, plus extras:

- Do you have a health question and want to talk with a registered nurse? Call our 24-hour Nurse HelpLine at the phone number on your ID card if it’s not an emergency.

- Need a doctor’s help late at night? Use LiveHealth Online to video chat with a doctor anytime for help with minor illnesses like colds, allergies, flu or infections.

- Do you have a child between the ages of 6 and 11? He or she can join a Boys & Girls Club at no cost to you. The clubs provide many fun and educational activities for children. It’s a great place to go after school. We also offer free sports physicals every 12 months for children ages 6 to 18.

If you need to reach us, call the phone number on your member ID card. Member Services can help you:

- Learn more about your benefits
- Choose or change your PCP
- Find a PCP who speaks your language
- Request a handbook in a different language

You can find this member handbook, our provider directory and other important health information at www.myamerigroup.com/NV. Please check it out to get the most out of your benefits!

Sincerely,

Amerigroup Community Care

To update your address or phone number, please call Nevada Medicaid at: Carson City 775-684-3651, Elko 775-753-1191, Las Vegas 702-668-4200, Reno 775-687-1900.
Frequently Asked Questions

1. How do I change my primary care provider?
   See **How to change your primary care provider** section.

2. Where can I find a list of behavioral health providers?
   See **Where to get a list of Amerigroup network providers** section or go to www.myamerigroup.com/NV.

3. My child needs something to do after school and in the summer. Can Amerigroup help?
   See **Special Amerigroup services for healthy living** section.

4. My child’s teeth are a little crooked. Will Amerigroup cover my child’s braces?
   See **Dental screening** section.

5. As an adult member, does Amerigroup cover my care?
   See **Wellness care for adults** section.

6. What if I don’t have transportation to my doctor’s appointment?
   See the **Transportation** section.

7. I don’t have a phone. How can I communicate with Amerigroup or my doctors?
   See **Extra Amerigroup benefits** section.

8. How do I find out if my medication has been approved or requires authorization?
   See **Medicines** section.

9. How can I get another copy of my ID card?
   See the **Go online** section; Get the Amerigroup Mobile App section or the **Your Amerigroup identification card** section.
Welcome to Amerigroup Community Care. You’ll get most of your Medicaid and Nevada Check Up benefits through Amerigroup. This member handbook will tell you how to get the most from your benefits.

**WELCOME TO AMERIGROUP COMMUNITY CARE!**

**Your new health plan**

Amerigroup Community Care brings you your Medicaid and/or Nevada Check Up benefits. We’re the health plan that will help you make the most of them! Working with you and your doctors, we’ll help you get and stay healthy.

We offer you health care coverage if you live in urban Clark and Washoe counties.

**How to get help**

**Call us**

We’re here to help you. Call us at 1-800-600-4441 (TTY 711) if you:

- Have any questions about our health plan or your benefits
- Need help getting care or finding a network provider
- Need an interpreter to help you communicate with your doctor in your native language or if you are deaf or hard of hearing
- Want to suggest how we can make your health plan better
- Want to participate in a committee to help improve health care services and community education

**Call the Amerigroup 24-hour Nurse HelpLine**

Call our 24-hour Nurse HelpLine at 1-800-600-4441 (TTY 711) any time, day or night. Our nurses can help if you have health-related questions or need advice on:

- What to do to take care of yourself before you see the doctor
- How soon you need to get care for an illness
- When to go to the emergency room or urgent care center
- How you can get the care you need

**Go online**

At www.myamerigroup.com/NV, you can:

- Choose or find a PCP in the Amerigroup network
- Change your PCP
- Request an ID card
- Update your address or phone number. Please also call Nevada Medicaid at: Carson City 775-684-3651, Elko 775-753-1191, Las Vegas 702-668-4200, Reno 775-687-1900
- Download or request a member handbook or provider directory
- Learn about community programs and services
- Ask questions or make comments to help improve Amerigroup
- Learn about your rights and responsibilities as a member
- Report waste, fraud and abuse
- Read what we’re doing to keep your private information safe and get a copy of the Amerigroup Notice of Privacy Practices. This Notice describes how your medical information may be used and shared and how you can access it

**Get the Amerigroup Mobile App**

You can now access your Amerigroup member identification (ID) card and find doctors in our network from your smartphone or tablet. Just download the Amerigroup Mobile app.
With Amerigroup Mobile, you can show, email or fax your member ID card to your doctor, pharmacy or hospital. You can also use our interactive symptom checker and explore health and wellness information. It’s fast. It’s free. And best of all, it’s safe. You just need your ZIP code and Amerigroup ID number, printed on your ID card, to use these services.

To download the app, go to the Apple iTunes store or the Android Market or visit our website at www.myamerigroup.com/NV.

About this member handbook

This handbook will help you understand your health care plan. The other side of this handbook is in Spanish. If you have questions, need help understanding or reading something in here, or want this in a different language, call us. The translation may take two weeks or more. We’ll let you know when it can be available.

We can also get this member handbook in:
- A large-print version
- An audio version
- A Braille version

When there are benefit changes or other changes that impact your care and services, we’ll let you know in one of these ways:
- We’ll send you a newsletter
- We’ll send you a letter to keep with your member handbook
- We’ll update our member website at www.myamerigroup.com/NV

Your Amerigroup identification card

If you don’t have your Amerigroup Identification (ID) card yet, you’ll get it soon.
- Please carry it with you at all times
- Show it to any doctor, hospital or pharmacy you visit

This card identifies you as an Amerigroup member.

Nevada Check Up ID card

Your Amerigroup ID card shows:
- The name and phone number of your PCP
- Your Medicaid or Nevada Check Up number
- The date you became an Amerigroup member
- Important phone numbers

If your Amerigroup ID card is lost or stolen, call us right away at 1-800-600-4441 (TTY 711). We’ll send you a new one.

For members who don’t speak English:
- We can help in many different languages and dialects.
- We’ll provide an interpreter to help you talk to your doctors during your appointments. Please call Member Services at least 24 hours before your appointment.
For members who are deaf or hard of hearing:

- Call 711 to reach Member Services.
- If you need a sign language interpreter for a doctor visit, please call us at least five business days before your appointment. We’ll set up and pay for the service.

YOUR PROVIDERS

Picking a primary care provider

All our members must have a primary care provider (PCP) in the Amerigroup network. Your PCP is your regular doctor who you’ll see for all your basic health care needs, such as yearly checkups, minor illnesses or referrals to specialists. He or she will:

- Get to know you and your health history
- Provide all your basic health services and send you to other doctors or hospitals when you need special care
- Help you get the right care for you

When you became an Amerigroup member, you should have picked a PCP. If you didn’t choose one, we assigned one to you. We picked one close to your home. The name and phone number of your PCP is on your Amerigroup ID card. You may also choose a primary care site (PCS), such as a Federally Qualified Health Center (FQHC), and get medical care from any doctor in the PCS. It’s important to schedule an appointment with your PCP within the first 90 days of enrollment with Amerigroup. You need to discuss your health history and medications with him or her as soon as possible.

If you aren’t happy with the PCP we assigned you, you can pick another one at any time. Just look in the provider directory that came with your new member package, or go online to www.myamerigroup.com/NV. Our search tool lets you search for providers by name, location and specialty. Need help? Call Member Services. No matter how you make the change—online or on the phone—we’ll send you a new member ID card.

If you’re already seeing a PCP, you can look in the provider directory to see if that provider is in our network. If so, you can tell us you want to keep him or her by calling Member Services at 1-800-600-4441 (TTY 711).

Your PCP can be any of the following, as long as he or she is in the Amerigroup network:

- Family or general practitioner
- Internist
- Pediatrician
- Obstetricians-gynecologists
- Physician assistant
- Certified nurse practitioner

You can also pick a Federally Qualified Health Center (FQHC) as your PCS if you’d like.

You and your children don’t have to have the same PCP. If you’re pregnant, your newborn will be assigned to the same PCP as the other covered children in the family.

You may be able to have a specialist or a state-operated clinic as your PCP if you have a:

- Disability
- Chronic condition
- Complex condition

Your specialist must agree to take on PCP responsibilities for your care. Members with disabilities have additional time to select a PCP. If you don’t select a PCP, we’ll automatically assign one. You can ask us to change your PCP at any time.
Where to get a list of Amerigroup network providers

In addition to this member handbook, we’ll give you a provider directory. You should’ve received the provider directory with your new member package. The provider directory includes a list of primary care providers (PCPs), mental health providers, specialists, dentists, optometrists, chiropractors, drug stores and hospitals that participate with Amerigroup. The directory will show if the provider is accepting new patients and if he or she is board-certified.

The directory also lists:
- Office addresses
- Office phone numbers
- Office hours
- Languages spoken at the office

If you didn’t receive a provider directory, please contact Member Services at 1-800-600-4441 (TTY 711). We’ll send you a new directory. You can also search for a provider online at www.myamerigroup.com/NV. Go to Find a Doctor.

Seeing an out-of-network provider

There may be times when you’ll need to see a provider who isn’t part of the Amerigroup network.

Before you joined Amerigroup, you may have been ill or injured and seeing a PCP who isn’t in our network. If so, please let us know about the care you were getting. In some cases, you may be able to keep seeing this PCP while you pick a new one in our network. Call Member Services at 1-800-600-4441 (TTY 711) to find out more. Amerigroup will work with you and your providers to give you a smooth transition to your new Amerigroup PCP.

It’s important to schedule an appointment with your doctor within the first 90 days of enrollment with Amerigroup. You need to discuss your health history and medications with your PCP as soon as possible.

If you require medically needed care that isn’t available from an Amerigroup network provider and your PCP requests the services, Amerigroup will provide those services at no cost to you for as long as the service you need is required and not available from an Amerigroup network provider.

To see an out-of-network provider, you or your doctor will need to ask for approval from us first.

If your primary care provider’s office moves, closes or leaves the Amerigroup network

Your PCP’s office may move, close or leave the Amerigroup network. If this happens, we’ll:
- Call or send you a letter within 15 business days of when we receive the provider termination notice; in some cases, you may be able to keep seeing this PCP while you pick a new one
- Work with you and your PCP to give you a smooth transition to your new Amerigroup PCP
- Help you pick a new PCP if you ask us for help by calling Member Services
- Send you a new ID card within five business days after you pick a new PCP

How to change your primary care provider

If you need to change your PCP, you may pick another PCP from the network. To change your PCP, do one of the following:
- Look in the Amerigroup provider directory that came with your new member package.
- Go to www.myamerigroup.com/NV to search or view the provider directory online.
- Call Member Services for help at 1-800-600-4441 (TTY 711).
When you ask to change your PCP:
- We can make the change the same day you ask for it
- The change will be effective the next day
- You’ll get a new ID card in the mail within five business days after your PCP has been changed

If your primary care provider asks for you to be changed to another primary care provider
Your PCP may ask for you to be changed to another PCP. Your PCP may do this if:
- Your PCP doesn’t have the right experience to treat you
- The assignment to your PCP was made in error (like an adult assigned to a child’s PCP)
- You fail to keep your appointments without calling the PCP to let them know or schedule a new appointment
- You don’t follow his or her medical advice over and over again
- Your PCP agrees a change is best for you and your medical needs

If your PCP asks you to change to another PCP for any of these reasons, please contact Member Services for help to find a new PCP or check the provider directory you received when you enrolled. This information is also online at www.myamerigroup.com/NV. Go to Find a Doctor.

If you want to go to a provider who isn’t your primary care provider
If you want to go to a provider who isn’t your PCP, talk to your PCP first. Your PCP may give you a referral so you can see another provider.

Please read the section about Specialists to learn more about referrals. Also read the section Services That Do Not Need a Referral for more details.

Second opinions
Amerigroup members have the right to ask for a second opinion about any treatment or diagnosis at no cost. You can get a second opinion from a network provider or a non-network provider if a network provider isn’t available.

Ask your PCP to submit a request for you to have a second opinion.

Picking a women’s health services provider
Female members can see a network OB/GYN for women’s health needs. These services are provided at no additional cost to members and include:
- Well-woman visits
- Prenatal care
- Care for any female medical condition
- Family planning

You don’t need a referral to see any qualified family planning provider, even if this provider isn’t part of the Amerigroup network.

Your PCP may be able to treat you for OB/GYN care. If not, you’ll need to see a network OB/GYN.
- To find an OB/GYN from the list of network providers:
  - Look in the Amerigroup provider directory that came with your new member package
  - Go to our online provider directory at www.myamerigroup.com/NV
  - Call Member Services at 1-800-600-4441 (TTY 711)
While you are pregnant, your OB/GYN can be your PCP. The nurses on our 24-hour Nurse HelpLine can help you decide if you should see your PCP or an OB/GYN.

If you’re pregnant when you enroll in Amerigroup and your current provider isn’t part of the Amerigroup network, you may be able to continue getting OB/GYN care from your current provider. This is called continuity of care.

**Going to a specialist**

Your PCP can take care of most of your health care needs, but sometimes you may also need care from other kinds of providers. Amerigroup offers services from many different kinds of providers who give other medically needed care. These providers are called specialists because they have training in special areas of medicine.

Examples of specialists are:
- Allergists (allergy doctors)
- Dermatologists (skin doctors)
- Cardiologists (heart doctors)

If you need to see a specialist, your PCP will give you a referral. The referral form tells you and the specialist what kind of health care you need. Be sure to take the referral form with you when you go to the specialist.

In a few cases, a referral isn’t needed. Read the section in this handbook **Services That Don’t Need a Referral** for more details.

Sometimes, a specialist can serve as your PCP. This may happen if you have a special health care need that is being taken care of by a specialist. If you believe you have special health care needs, you can:
- Talk to your PCP
- Call Member Services at 1-800-600-4441 (TTY 711)

If you’re receiving care from a specialist who isn’t part of our network when you join Amerigroup, please let us know. In some cases, you may be able to keep seeing this specialist until you can be changed to an Amerigroup network specialist. Call Member Services to find out more.

If you’re currently receiving care from a specialist whose office is moving, closing or who will no longer participate in the Amerigroup network, we’ll:
- Call or send you a letter within 15 business days of when we receive the provider termination notice. In some cases, you may be able to keep seeing this specialist for care while you pick a new specialist. Call Member Services to find out more about this.
- Work with you and your PCP to give you a smooth transition to your new Amerigroup specialist.
- Help you pick a new specialist if you ask us for help by calling Member Services.

**GETTING HEALTH CARE**

**How to make an appointment with your PCP**

It’s important to visit your PCP to get regular checkups, called wellness visits, and for care when you’re ill. Call your PCP’s office whenever you need care. The phone number is on your Amerigroup ID card.
If you were assigned a new PCP when you enrolled in Amerigroup, it’s important to schedule a wellness visit within 90 calendar days. If your PCP didn’t change when you enrolled in Amerigroup, call him or her to see if it’s time for you to get a checkup. If it is, set up a visit with your PCP as soon as you can.

Wellness visits can help you stay healthy and let your PCP take better care of you if you get sick. When you aren’t feeling well, call your PCP’s office. Let them know your symptoms and they’ll tell you how soon you need to be seen. If you need help making an appointment, call Member Services at 1-800-600-4441 (TTY 711).

**Wait times for appointments**

When you go to the office for your appointment, you shouldn’t have to wait more than one hour to be seen.

</tbody>
</table>

*Same-day, medically needed appointments are also available.

**After-hours callbacks**

We want you to be able to get care at any time. When your PCP’s office is closed, an answering service will take your call. Your PCP should call you back within 30 minutes.

Talk to your PCP and set up an appointment.

**What to bring to an appointment**

When you visit your provider, be sure you have:
- Your Amerigroup ID card
- Any medicines you’re taking
- Any questions you may want to ask

If the appointment is for your child, be sure you bring your child’s:
- Identification (ID) cards
- Shot records
- Any medicine he or she is taking
How to cancel an appointment
If you make an appointment and then can’t go, it’s important to:
• Cancel the appointment at least 24 hours in advance. You can call the doctor’s office or call Member Services and ask us to cancel for you. This will let someone else get an appointment at that time.
• Make a new appointment when you call to cancel.

Your PCP may ask us to give you a new PCP if you frequently miss appointments without cancelling.

Transportation
If you need a ride to and from your medical and dental appointments for routine visits, call LogistiCare toll free at 1-888-737-0833. You can call 24 hours a day, 7 days a week. Please call LogistiCare as soon as possible and no later than five days before your scheduled appointment. LogistiCare will contact your doctor and verify your appointment date and time. After the confirmation, LogistiCare will work with you to find the right transportation for you.

Nonemergency transportation service is only available to Medicaid recipients. Nevada Check Up members are not eligible for this service.

If you have an emergency and need transportation, call 911 for an ambulance.
• Be sure to tell the hospital staff you’re an Amerigroup member.
• Get in touch with your PCP as soon as you can. Your PCP can:
  – Arrange your ongoing treatment
  – Help you get needed hospital care

Access for members with special needs
Amerigroup network providers and hospitals should help members with disabilities get the care they need. If you use a wheelchair, walker or other aid, you might need help getting into an office. If so:
• Make sure your provider’s office knows this before you go to your appointment. This will help them be ready for your visit.
• Call Member Services if you want help talking to your doctor about your special needs.

WHAT DOES MEDICALLY NECESSARY MEAN?
Your PCP will help you get medically necessary services. Medically necessary health services are:
• Consistent with the symptoms or diagnosis of the illness or injury being treated
• Consistent with generally accepted qualified medical standards, including:
  – Guidelines and standards that are endorsed by professional health care or government agencies
  – Generally accepted medical standards
• Not experimental (not new or untried)
• Safe and effective for the member (Medicaid and Nevada Check Up will only cover items and services that are needed for the diagnosis or treatment of an illness or an injury, or to improve the working of a malformed body part)
• Not mainly for the ease of the member, the member’s caregiver or the provider
As an Amerigroup member, you should follow the treatment plan prescribed by your doctor. This can help you get well faster. If you don’t follow the treatment plan, your condition could worsen. At the next medical necessity review, if your health services aren’t helping you get better, the services could end.
AFFIRMATIVE STATEMENT

Amerigroup follows quality standards set by the National Committee for Quality Assurance (NCQA). All utilization management (UM) decisions are based solely on a member’s medical needs and covered benefits. Our policies do not support under-use of services. Practitioners or others involved in utilization management decisions do not get any type of reward for denying coverage.

HEALTH CARE BENEFITS AND PREMIUMS

Amerigroup covered services

Below is a summary of the health care services and benefits Amerigroup covers. Your PCP will either give you the care you need or refer you to another provider.

For a few special benefits, you must be a certain age or have a certain kind of health problem. In some cases, your PCP may need to get prior approval from Amerigroup before you can receive a benefit. Your PCP will work with us to get approval. If we don’t approve coverage of a service, your PCP may provide you with another covered service.

There are no copays or deductibles required for any covered services.

If you have a question or aren’t sure if Amerigroup offers a certain benefit, call Member Services at 1-800-600-4441 (TTY 711).

Prior Authorization (Approval)

Some Amerigroup services and benefits need prior authorization (approval). This means your PCP must ask Amerigroup to approve the services and/or benefits. Emergency services, post-stabilization services and urgent care don’t need prior approval.

Amerigroup has a Utilization Review team that looks at approval requests. The team will decide:

• If the service is needed and if it’s covered by Amerigroup
• Within 14 calendar days after receiving the request and clinical information from your PCP. We’ll share our decision with your PCP by fax or phone

Your PCP can ask for an expedited review if a delay could cause grave harm to your health. We’ll notify your doctor of our decision within three days of getting the request.

If we say we won’t pay for the care, or the approved services are less than the amount or type requested, you or your doctor can ask for an appeal. If you appeal, we’ll notify you of our decision within 30 days. If you have a question or aren’t sure if we offer a certain benefit, you can call Member Services for help. Below is a list of the services covered under Amerigroup.

| **APPLIED BEHAVIORAL HEALTH ANALYSIS (ABA)** | Applied Behavioral Analysis (ABA) is a behavior intervention model to treat children with Autism Spectrum Disorder (ASD). ABA is offered to Medicaid eligible individuals under age 21 in accordance with Early and Periodic Screening, Diagnostic and Treatment (EPSDT). ABA services include:  
- Assessment  
- Evaluation/reevaluation  
- Treatment intervention plan w/measureable objective goals  
- Targeted goals (data driven)  
- Functional communication training  
- Self-monitoring skills  
- Adaptive living skills  
- Cognitive skills  
- Speech, occupational, physical therapy  
- Durable Medical Equipment (DME)  
- Speech Generating Device (SGD)  
- Verbal skills  
- Language skills  
- Peer play  
- Social skills  
- Pre-vocational and vocational skills  
- Parent training  
- Family education  
- Family counseling  
- Case management |
| **TELEHEALTH (LiveHealth Online)** | LiveHealth Online allows you to see a doctor through a video chat session on your smartphone, tablet or computer. Your video chats are private and secure. It’s a convenient and easy way to see the doctor when your doctor isn’t available, it’s late at night or you can’t make it to the doctor’s office. No cost to our members.  
Covered services include treatment and testing.  
- **Treatment** - Immunotherapy (commonly called allergy shots) is a useful treatment for patients with allergies. It’s based on the belief that people who get injections of a specific allergen will no longer be sensitive to it.  
- **Testing** - Allergy tests are used to determine what a person is allergic to. There are many methods of allergy testing. Common types include: |
| **ALLERGY SERVICES** |  |
## COVERED SERVICE COVERAGE LIMITS

| Skin tests
Elimination-type tests |
Amerigroup doesn’t cover testing that is new or untried in nature and not proven to be effective. |

### ASSISTIVE/AUGMENTATIVE COMMUNICATION DEVICES

Amerigroup covers these devices. Devices, such as speech synthesizers, that help members with limited vocal or verbal communication skill convey their thoughts.

### ASSISTANT SURGEON

An assistant surgeon aids the performing surgeon during a surgical procedure.

### AUDIOLOGY SERVICES

These services help decide whether a person can hear within the normal range, and if not, which parts of hearing have changed and to what degree. If an audiologist diagnoses a hearing loss, he or she will advise what options may help a patient (e.g., hearing aids, cochlear implants, surgery).

Amerigroup covers:
- Medically needed hearing aids; prior approval is required
- For members under age 21, hearing aids and supplies made during a Healthy Kids checkup

Certain limits apply:
- One device every 24 months
- One audiology test every 12 months; a referral from your PCP is required
- One package of batteries for a device per month

### BEHAVIORAL HEALTH

Covered services up to limits outlined in the Nevada Medicaid and Nevada Check Up program include:
- Crisis Intervention for members who go through a psychiatric crisis; these services:
  - Reduce symptoms
  - Help stabilize and restore a person to his or her former level of function
- Crisis Stabilization to help a person in crisis return to his or her prior level of function
- Prescribed Electroconvulsive Therapy† to treat severe mental illness; this treatment is given:
  - If a person doesn’t respond to antidepressant medicines and/or psychotherapy
  - On an outpatient basis
- Hospital-based Detoxification/Chemical Dependency Services;† these treatments and services:
  - Must be medically needed
  - Are given in an inpatient hospital setting

<td>– Other sources to set up and decide the member’s current medical and nonmedical service needs</td>
<td></td>
</tr>
</tbody>
</table>

**Individualized Plan of Care**

Case managers will use information from the assessment to decide the proper care management services.

The case manager will:

- Work with the member, his or her family, and the member’s providers to develop and set up the proper care plan
- Think of the member’s needs for social, educational, therapeutic and other nonmedical support services as well as the strengths and needs of the family

When nonmedical needs are complex, case manager nurses will work with:

- Case manager social workers
- Member advocates or outreach associates to contact members they haven’t been able to reach

If a member is getting care management services from other sources (e.g., a community services organization), the care plan will define:

- The process for managing medical, mental health and substance abuse, and social service aspects of care
- The roles of each care team

**Case managers will work with the member’s PCP and specialists to ensure the care plans support the providers’ medical plans.**
### COVERED SERVICE

<table>
<thead>
<tr>
<th>COVERED SERVICE</th>
<th>COVERAGE LIMITS</th>
</tr>
</thead>
</table>
| **CHEMOTHERAPY AND RADIATION** | Chemotherapy\† is the use of drugs to kill bacteria, viruses, fungi and most often, cancer cells.  
- It can destroy cancer cells at sites great distances from the original cancer.  
- More than half of all people diagnosed with cancer receive chemotherapy.  
  A chemotherapy regimen is a treatment plan and schedule that includes drugs to fight cancer plus drugs to help support finishing the cancer treatment at the full dose or schedule.  
  Radiation therapy is the use of a certain type of energy, called ionizing radiation, to kill cancer cells and shrink tumors.  
- In some cases, the goal of radiation treatment is to destroy an entire tumor  
- In other cases, the goal is to shrink a tumor and relieve symptoms.  
In both cases, doctors plan treatment to spare as much healthy tissue as possible. |
| **CHIROPRACTIC SERVICES**   | Medicaid members under age 21 and Nevada Check Up members through their 19th birthday.\† Covered services include:  
- Medically needed chiropractic services when referred to a chiropractor as part of a Healthy Kids checkup and when a diagnosis of spinal subluxation is made by the referring doctor |
| **CIRCUMCISION**            | Circumcision covered up to 1 year of age |
| **CLINICS**                 | Federally Qualified Health Centers (FQHCs) provide preventive services or services to treat an illness or chronic disease.  
  Rural Health Clinics (RHCs) provide preventive services.  
Members can receive covered services at these facilities from the following providers:  
- Physicians  
- Nurse practitioners  
- Physician assistants  
- Certified nurse midwives  
- Visiting nurses  
Clinical psychologists  
Clinical social workers  
Registered dietitians  
Nutritional professionals  
You can get these services without a referral from your PCP. |

<tr>
<td>DRUGS/INJECTABLES/BIOLOGICALS</td>
<td>A drug† is a substance that can be used to change a chemical process or processes in the body.</td>
</tr>
<tr>
<td></td>
<td><strong>Injectable</strong> drugs are those drugs that can be managed by a health professional or self-managed. These may be drugs such as insulin, growth hormones, etc. Over-the-counter drugs and pharmaceuticals are those that can be purchased without a prescription from a physician.</td>
</tr>
<tr>
<td></td>
<td><strong>Biologicals</strong> in medicine refer to substances made from a living organism or its products. Biologicals may be used to prevent, diagnose, treat or relieve symptoms of a disease (for example, vaccines).</td>
</tr>
</tbody>
</table>
Amerigroup has a list of commonly prescribed drugs. Your or your child’s PCP or specialist can choose from this list of drugs to help you get well. This list is called a Preferred Drug List (PDL). It is part of the Amerigroup formulary.

The covered medicines on the PDL include prescriptions and certain over-the-counter medicines.

- All Amerigroup network providers have access to this drug list.
- Your or your child’s PCP or specialist should use this list when he or she writes a prescription.
- Certain medicines on the Amerigroup PDL need prior approval.
- All medicines that aren’t listed on the Amerigroup PDL need prior approval.

See the Medicines section under the heading Special Kinds of Health Care.

Here’s a list of things to remember:

- Amerigroup covers up to a 30-day supply of prescriptions.
- You can get prescriptions filled at Amerigroup network pharmacies.
- The Amerigroup pharmacy network includes most major pharmacy chains and many independent community pharmacies.
- CVS, Walmart, Kmart, Raley’s Drug Center, Smith’s Food & Drug Center, and Sav-On are part of our network and will accept your Amerigroup identification (ID) card.
- Walgreens isn’t in the Amerigroup network.
- You can find a list of pharmacies that participate with Amerigroup in the provider directory you received with your new member package.

**If you need help finding a pharmacy, call Member Services toll free. Call 1-800-600-4441 (TTY 711) or visit our website at www.myamerigroup.com/NV.**

<td>EARLY CHILDHOOD INTERVENTION (ECI) SERVICES</td>
<td>These benefits need an okay from Amerigroup. These services assist families with children ranging from birth to school age that have developmental disabilities and delays. The program provides screening and resource referral methods that support families in helping effected children reach their potential through developmental services.</td>
</tr>
</tbody>
</table>
| EARLY PERIODIC SCREENING, DIAGNOSIS AND TREATMENT (EPSDT) SERVICES (MEDICAID)/ WELL-BABY/WELL-CHILD SCREENINGS (NEVADA CHECK UP) | The EPSDT program covers screening and diagnostic services to decide health care needs and other measures to correct or improve:  
- Physical or mental defects  
- Chronic conditions found in Medicaid members under age 21 and Nevada Check Up members through their 19th birthday  
This program is known as Healthy Kids in Nevada. Covered services for Medicaid Members under age 21 and Nevada Check Up Members through their 19th birthday include:  
- Complete medical screens, including:  
  - Complete health and development history with assessment for both physical and mental health development  
  - Complete physical exam  
  - Proper immunizations (shots) according to age and health history  
  - Lab tests, including lead blood level assessment  
  - Health education  
  - Vision screening  
  - Hearing screening  
  - Dental screenings  
Other needed health care or diagnostic screens or exams EPSDT services for pregnant members under age 21 aren’t covered. |
<p>| EMERGENCY SERVICES | Emergency services include inpatient and outpatient services furnished by a provider qualified and needed to assess or stabilize an emergency medical condition. See the section Different Types of Health Care under the heading Emergency Care for more details. |
| EMERGENCY TRANSPORTATION | Amerigroup covers all emergency transportation. See the Transportation section for more details. |</p>

</table>
| ENTERAL NUTRITION         | Enteral nutrition, also called tube feeding, is a way to provide food through a tube placed in the nose, stomach or the small intestines.  
Amerigroup covers this service. |
| FAMILY PLANNING           | Amerigroup covers family planning services for members of childbearing age. Members can receive family planning services from an Amerigroup network or non-network provider. Services include:  
- Education  
- Counseling  
- Physical exams  
- Birth control devices, supplies and Norplant  
Members don’t need a referral for family planning services. See the Family Planning Services section under the heading Special Kinds of Health Care for more details.  
The following services aren’t covered:  
- Tubal ligations and vasectomies for persons who are:  
  - Under age 21  
  - Mentally incompetent  
  - Institutionalized  
- Sterilization reversals  
- Abortions and hysterectomies (These services are excluded from family planning but may be covered under certain conditions; for example, to save the life of the mother, for rape or incest, or if medically necessary. Your provider will explain these services and ask you to sign a consent form.) |
| GASTROENTEROLOGY SERVICES | Gastroenterology is a branch of medicine concerned with the structure, functions, diseases and pathology of the stomach and intestines.  
These services are covered by Amerigroup. |
| GENETIC AND DNA TESTING   | Genetic and DNA testing† is considered medically needed to establish a diagnosis of an inheritable disease when the following conditions are met:  
- There is a direct risk of inheriting the disease  
- The result of the test will impact the treatment being delivered  
- If a diagnosis remains uncertain after gathering a family history and completing a physical exam, genetic counseling and conventional diagnostic studies |

| SPECIAL CASE MANAGEMENT                       | These products are available with a prescription from your PCP and are limited to two 90-day courses of treatment per year. Amerigroup covers special case management services for the following groups:  
  - Children and adolescents who are Severely Emotionally Disturbed (SED)*  
  - Seriously Mentally Ill (SMI) adults*  
  - Developmentally delayed infants and toddlers  
  A case manager will help:  
  - Assess and evaluate health care needs  
  - Develop a plan of care  
  - Get referrals and needed services  
  - Coordinate services between PCPs and specialists  
  - Monitor care and follow-up  
  SED or SMI determination must be completed by a qualified Amerigroup provider. Upon determination, Medicaid members who are diagnosed as being SED or SMI can choose to disenroll from Amerigroup and continue to get benefits through Fee-For-Service Medicaid. Nevada Check Up members diagnosed as SED or SMI don’t have the option to disenroll and will continue to receive covered services through Amerigroup.  
  Annually, Medicaid and Nevada Check Up members diagnosed as SED or SMI will be evaluated and a new determination will be made. If the evaluation doesn’t result in a redetermination as SED or SMI, the Medicaid member who chose to disenroll from Amerigroup will be re-enrolled as of the first day of the next possible month.  
  Amerigroup covers the first 45 days of care from a swing bed in an acute hospital, when medically needed. Once the stay goes over 45 days, the member will be disenrolled from Amerigroup. The rest of the stay will be covered by Nevada Check Up or Fee-For-Service Medicaid.  
  TMJ Temporomandibular Joint  
  Covered for recipients age 20 years and younger. TMJ services may be provided by a dentist or medical doctor.  
  Adult dental services are restricted to palliative treatment, emergency extractions and dentures/partials with prior authorization. |
| SWING BEDS                                    |                                                                                  |
| TMJ Temporomandibular Joint                  |                                                                                  |
COVERED SERVICE COVERAGE LIMITS †These benefits need an okay from Amerigroup

TRANSPLANTATION

Amerigroup covers the following transplants for Medicaid-eligible adults (21 and older) when medically needed and not experimental†:

- Cornea
- Kidney
- Liver
- Bone marrow

For Medicaid members under age 21 and Nevada Check Up members through their 19th birthday, Amerigroup covers any medically needed transplant that isn’t experimental.

Extra Amerigroup benefits

Amerigroup covers extra benefits that eligible members cannot get from Nevada Check Up or Fee-For-Service Medicaid. These extra benefits are called value-added services. We offer the following:

- Boys & Girls Club - free membership for children ages 6 to 11
- Free sports physicals - every 12 months by an Amerigroup PCP for children ages 6 to 18
- Taking Care of Baby and Me® program for all pregnant members
- My Advocate Program - screening and health promotion program for pregnant members.
- 24-hour Nurse HelpLine to answer your medical questions and concerns, day or night
- Live Health Online to chat with a doctor through online video when you need an appointment fast
- Free SafeLink® - phone and up to 350 free monthly minutes to those who qualify, plus a one-time bonus of 200 minutes if you opt in to the Amerigroup program. Also free calls and texts to Member Services
- Free Parenting magazine subscription

We give you these benefits to help keep you and your family healthy and to thank you for choosing Amerigroup as your health insurance plan.

*SafeLink Wireless® is a Lifeline-supported service. Lifeline is a government benefit program. Only those who qualify may enroll in Lifeline. It can’t be transferred. It is limited to one per household. You may need to show proof of income or that you take part in the program to enroll.

Nevada Check Up premiums

A premium is a quarterly payment you pay for health care coverage for your child. Only Nevada Check Up members pay premiums. Native Americans and Alaska Natives don’t have to pay premiums.

Remember, if you have a quarterly premium and don’t pay it, your child will be disenrolled. This premium will go toward your family cost-share. Your family cost-share is based on your total family income. To find out more about premiums, call the Nevada Check Up program at 775-684-3777 or toll free at 1-800-992-0900. You can also go to the Nevada Check Up website at www.nevadacheckup.nv.gov.
SERVICES COVERED BY NEVADA CHECK UP OR FEE-FOR-SERVICE MEDICAID

Some services are covered by Nevada Check Up or Fee-For-Service Medicaid instead of Amerigroup. You don’t need a referral for these services.

These are called carved-out services and include:
- Adult day health care
- Children in out-of-home placement
- Home- and community-based waiver services*
- Hospice*
- Indian health service facilities and tribal clinics
- Intermediate care facilities for members with intellectual disabilities*
- Nonemergency transportation (only available to Medicaid members)**
- Nursing facility stays beginning on the 46th calendar day*
- Orthodontic services for Medicaid members under age 21 and Nevada Check Up members through their 19th birthday when medically needed (referral to Fee-For-Service orthodontist required)
- Evaluations/screening for appropriate level of care before admission to a facility Residential treatment centers for Medicaid members*
- School-based child health care services (Amerigroup covers when provided by federally qualified health centers or rural health clinics)
- Severely emotionally disturbed/seriously mentally ill
- Swing bed stays in acute hospitals beginning on the 46th calendar day*

If you have questions about how to obtain these services, please contact Amerigroup Member Services at 1-800-600-4441 (TTY 711) Monday through Friday, from 8 a.m. to 5 p.m. Pacific time. We can help you.

*Members who receive these services will be disenrolled from Amerigroup and will get all covered health care benefits directly from Fee-For-Service Medicaid or Nevada Check Up.

**Nonemergency transportation is available for Medicaid recipients through the state’s transportation vendor, LogistiCare. As of August 24, 2011, nonemergency transportation service is no longer available to Nevada Check Up recipients.

SERVICES THAT DON’T NEED A REFERRAL

It is always best to ask your Primary Care Provider (PCP) for a referral for any Amerigroup covered service. But you can get the following services without a referral:
- Behavioral health care
- Care provided by your Amerigroup network PCP’s nurse or doctor’s assistant
- Emergency care
- Eye exams from an Amerigroup network eye care provider (optometrist)
- Family planning services from any qualified family planning provider
- Healthy Kids visits to an Amerigroup network provider
- Prenatal care from an Amerigroup network obstetrician or certified nurse-midwife
- Routine dental care from an Amerigroup network dentist for members ages 6 months to under 21 years
- Yearly exams from an Amerigroup network OB-GYN
SERVICES OFFERED BY AMERIGROUP WHEN TRANSFERRING TO/FROM ANOTHER MANAGED CARE ORGANIZATION OR FEE-FOR-SERVICE MEDICAID

When transferring from another Managed Care Organization (MCO) or from Fee-for-Service Medicaid:
- We will honor services approved by your prior Medicaid provider as your care is transitioned
- We will assess and transition continuing services to in-network providers if needed
- We will make arrangements with your prior providers if care can’t be transitioned

When transferring to another MCO or to Fee-for-Service:
- We will communicate services we approved to your new Medicaid provider
- Our nursing staff will communicate current treatments and care to your new Medicaid provider

Please contact Amerigroup Member Services at 1-800-600-4441 (TTY 711) Monday through Friday from 8 a.m. to 5 p.m. Pacific time to notify us of your transitional needs. We will assign a nurse to help coordinate your care as you join Amerigroup.

SERVICES NOT OFFERED BY AMERIGROUP, NEVADA CHECK UP OR FEE-FOR-SERVICE MEDICAID

The following are not covered:
- Anything experimental, such as a new treatment that’s being tested or hasn’t been shown to work
- Anything that isn’t medically needed
- Sterilization for members under age 21 or members who are institutionalized or mentally incompetent
- Elective abortions

If you choose to get a service that isn’t covered, you’ll have to pay for it. Your provider may ask you to sign a form. This form tells your provider you understand and agree to pay for the service.

NEW TECHNOLOGY

Amerigroup has a process to consider new technology or new uses for current technology for coverage.

DIFFERENT TYPES OF HEALTH CARE

Routine, urgent and emergency care: what is the difference?

Routine care
In most cases when you aren’t feeling well and need medical care, you visit your PCP. This type of care is known as routine care. Some examples are most minor illnesses and injuries and regular checkups. You should be able to see your PCP within two weeks for routine care.

Your PCP also takes care of you before you get sick. This is called wellness care and includes checkups, shots and screenings. See the section in this handbook Wellness Care for Children and Adults.

Urgent care
Some injuries and illnesses aren’t emergencies, but can turn into emergencies if not treated within 24 hours. This type of care is called urgent care. Some examples are:
- Throwing up
- Minor burns or cuts
• Earaches
• Headaches
• Sore throat
• Fever over 101 degrees
• Muscle sprains/strains

If you need urgent care:
• Call your PCP. Your PCP will tell you what to do.
• Follow your PCP’s instructions. Your PCP may tell you to go to:
  - His or her office right away
  - Some other office to get immediate care
  - An urgent care location.
• Use LiveHealth Online at LiveHealthonline.com

You can also call our 24-hour Nurse HelpLine at 1-800-600-4441 (TTY 711) if you need advice about urgent care. You should be able to see your PCP within two days for an urgent-care appointment.

Emergency care
What is an emergency? An emergency is anything that could cause very serious harm to your body or your death if not treated immediately. This means someone with an average knowledge of health and medicine can tell the problem may threaten your life or cause serious harm to your body or harm your unborn child if you are pregnant. Here are some examples of problems that are most likely emergencies:
• Trouble breathing
• Chest pains
• Loss of consciousness
• Very bad bleeding that doesn’t stop
• Very bad burns
• Shakes called convulsions or seizures

If you have an emergency, do one of the following:
• Call 911.
• Go to the nearest hospital emergency room. The hospital doesn’t need to be a part of the Amerigroup network for you to get emergency care. You will be able to continue to get care until your health has stabilized.
• Go to an urgent care center

You should be able to see a physician right away. You don’t need a referral from your PCP or another provider in order to obtain emergency care.

If you want advice about emergency care, call your PCP or our 24-hour Nurse HelpLine at 1-800-600-4441 (TTY 711). Treatment for medical emergencies doesn’t need prior approval by Amerigroup.

After you visit the emergency room, it’s important to call your PCP as soon as possible. If you can’t, have someone else call for you.
It may be necessary for you to get additional care to keep your condition stable after an emergency. This care is sometimes referred to as post-stabilization care. Post-stabilization care is a covered service.
How to get health care when your doctor’s office is closed

Except in the case of an emergency or when you need care that doesn’t need a referral, you should always call your PCP first before you get medical care. If you call your PCP’s office when it is closed, leave a message with your name and a phone number where you can be reached. If it isn’t an emergency, someone should call you back soon to tell you what to do. You may also:

- Call our 24-hour Nurse HelpLine to speak to a nurse 24 hours a day, 7 days a week
- Use Live Health Online to video chat with a doctor any time day or night to get quick care for minor illnesses like colds, allergies, flu or infections

If you think you need emergency services, call 911 or go to the nearest emergency room right away.

How to get health care when you are out of town

- If you need emergency services when you are out of town or outside of Nevada, go to the nearest hospital emergency room or call 911.
- If you need urgent care:
  - Call your PCP. If your PCP’s office is closed, leave a phone number where you can be reached. Someone should call you back within 30 minutes.
  - Follow your PCP’s instructions. You may be told to get care right away.
  - Call our 24-hour Nurse HelpLine.
- If you need routine care like a checkup or a prescription refill:
  - Call your PCP.
  - Call our 24-hour Nurse HelpLine.

* If you are outside of the United States and get health care services, they will not be covered by Amerigroup, Nevada Check Up or fee-for-service Medicaid.

How to get health care when you can’t leave your home

If you can’t leave your home, we’ll find a way to help take care of you. Call Member Services right away. We’ll put you in touch with a case manager who’ll help you get the medical care you need.

WELLNESS CARE FOR CHILDREN AND ADULTS

All Amerigroup members need to have regular wellness visits, including checkups and screenings, with their Primary Care Provider (PCP). Your PCP will provide care based on nationally accepted guidelines. During a wellness visit, your PCP may detect problems before they worsen. When you become an Amerigroup member, make an appointment with your PCP within 90 days

When you or your child misses one of your wellness visits

If you or your child does not get to a wellness visit on time:

- Make an appointment with the PCP as soon as you can
- Call Member Services if you need help setting up the appointment

If your child hasn’t visited his or her PCP on time, Amerigroup will send you a postcard reminding you to make your child’s well-child appointment.
Wellness care for children, the Healthy Kids program

Why well-child visits are important for children
Children need more wellness visits than adults. These wellness visits for children are called Healthy Kids visits. Healthy Kids is a program for:
• Medicaid members until their 21st birthday
• Nevada Check Up members until their 19th birthday

Babies need to see their PCP at least seven times in their first year and more times if they get sick. If your child has special needs or an illness like asthma or diabetes, one of our care coordinators can help your child get checkups, tests and shots.

Your child can get Healthy Kids checkups from his or her PCP or any Amerigroup network provider. These Healthy Kids visits include:
• A comprehensive review of your child’s physical, developmental and mental growth
• A complete unclothed physical exam
• Immunizations (shots) for your child that will help protect him or her from illnesses
• Laboratory tests (blood lead screening, urinalysis, tuberculin skin test, sickle cell, hemoglobin/hematocrit, etc.)
• Health education and help with preventive care
• Vision, hearing and dental screenings

Your child doesn’t need a referral for these visits.

When your child should get Healthy Kids visits

Well-child Care in Your Baby’s First Year of Life
The first well-child visit will be in the hospital. This happens right after the baby is born. For the next seven visits, you must take your baby to his or her PCP’s office. Set up a Healthy Kids visit with the doctor when the baby is:
• 3-5 days old
• 1 month old
• 2 months old
• 4 months old
• 6 months old
• 9 months old
• 12 months old

Well-child care in your baby’s second year of life
Starting in your baby’s second year of life, he or she should see the doctor at least four more times:
• 15 months
• 18 months
• 24 months
• 30 months

Well-child care for children ages 3 through 20
Your child should see the doctor again at ages 3, 4 and 5. Be sure to set up these visits. It’s important to take your child to his or her PCP when scheduled.

Starting at age 6, your child should go to the doctor every year for a checkup until he or she reaches:
• Medicaid members until their 21st birthday
• Nevada Check Up members until their 19th birthday
Blood lead screening
Your child’s PCP will screen your child for lead poisoning at 12 months and 24 months of age. Your child’s PCP will take a blood sample by pricking your child’s finger or heel, or taking blood from his or her vein. The test will tell if your child has lead in his or her blood. If your child is at risk of lead exposure, he or she may get a blood test once each year until age 6.

Vision screening
Your child’s PCP should check your child’s vision at every well-child visit. Please see the section Eye Care under the heading Special Kinds of Health Care for more details.

Hearing screening
Your child’s PCP should check your child’s hearing at every well-child visit.

Dental screening
Your child’s PCP should check your child’s teeth and gums as a part of the regular well-child visits. At age 1, your child should begin seeing a dentist every six months. Please see the section Dental Care under the heading Special Kinds of Health Care for more details.

Immunizations (shots)
It is important for your child to get shots on time. Follow these steps:
1) Take your child to the PCP when he or she needs shots.
2) Use this chart to help keep track of the shots your child needs.

### SPECIAL KINDS OF HEALTH CARE

#### Eye care
Amerigroup members don’t need a referral from their PCPs for eye care benefits. Members can get:
- One complete eye exam every 12 months
- Refractive exams
- Fittings, dispensing and adjustment of glasses
- Frames and lenses
- Follow-up exams
- Contact lenses (in certain circumstances)

Members age 20 and under get eyeglasses as often as medically needed* (or for broken or lost glasses) as part of the Healthy Kids program.

*A change in refractive error exceeding plus or minus 0.5 diopter or 10 degrees in axis deviation to qualify within a 12-month limit from the most recent exam.

See Ophthalmology/Optometry Services under the section Amerigroup Covered Services for more details. If you need help finding an Amerigroup network eye doctor (optometrist) in your area, call eyeQuest toll free at 1-888-300-9025 (TTY/TDD 1-800-466-7566).

#### Dental care
Dental Care Covered by Amerigroup
Starting at age 1, members can receive complete dental care every six months for:
- Medicaid members through their 21st birthday
- Nevada Check Up members through their 19th birthday

Covered services include:
- Periodic and routine dental care needed to:
  - Restore your child’s teeth, including a cleaning and exam every six months
  - Help prevent problems
  - Maintain dental health
- X-rays every six months (for children under age 6 as needed, based on the dental exam)
• Emergency extractions and care to lessen pain
• Surgery to correct diseases or injuries and defects to the head, neck, face, jaws, and hard and soft tissues of the lower jaw and face region

Orthodontia services are covered under Nevada Fee-For-Service Medicaid when medically needed. A referral to a Fee-For-Service provider must be made in advance by an Amerigroup network dentist. Your child doesn’t need a referral from his or her PCP for dental care.

For members age 21 and older, we cover:
• Emergency extractions
• Palliative care
• Certain restorative services, with prior approval, when these services relate to partials or help prevent infections that could make other medical conditions worse
• Partial or full dentures every five years when medically needed

You can get dental benefits from any Amerigroup network dentist. To find a dentist for you or your child that is close to you, call Scion Dental toll free at 1-877-378-5302.

Nevada Check Up members who are pregnant receive these added benefits with prior approval:
• Periodic scaling and root planing
• Two cleanings
• One hundred percent coverage for treatment of inflamed gums around wisdom teeth

See Dental Services under the section Amerigroup Covered Services for more details.

**Behavioral health (mental health/substance abuse)**

Sometimes, dealing with all of the tasks of a home and family can lead to stress. Stress can lead to depression and anxiety. It can also lead to marriage problems, family problems and parenting problems. Stress can lead to alcohol and drug abuse, too.

If you or a family member is having these kinds of problems, you can get help. Call Amerigroup Member Services at 1-800-600-4441 (TTY 711). You can also get the name of a provider who will see you if you need one. You don’t need a referral from your PCP.

Many medically needed services are covered, such as:
• Inpatient mental health care
• Outpatient mental health/substance abuse treatment
• Mental health rehabilitative treatment services

You don’t need a referral from your PCP to get these services.

**Family planning services**

Amerigroup will arrange for counseling and education about planning a pregnancy. By talking to your PCP, you can learn about preventing pregnancy. You can also visit any family planning provider, even if the provider is not part of the Amerigroup network. You don’t need a referral from your PCP.
Medicines

Amerigroup has a list of commonly prescribed drugs. This list is called a Preferred Drug List (PDL). It’s part of the Amerigroup formulary. Your or your child’s PCP or specialist can choose from this list of drugs to help you get well.

The covered medicines on the PDL include:
- Prescriptions
- Certain non-prescription or over-the-counter (OTC) medicines

Things to remember about the Preferred Drug List:
1. The Preferred Drug List (PDL) is a smaller version of the complete formulary.
2. The PDL lists preferred drugs commonly prescribed in certain categories.
3. All Amerigroup network providers have access to this drug list.
4. Your or your child’s primary care provider (PCP) or specialist should use this list when he or she writes a prescription.
5. Certain medicines on the PDL need prior approval. For those medicines, your doctor must get approval from Amerigroup before you can fill your prescription. Call Member Services at 1-800-600-4441 (TTY 711) to find out about the prior approval process for your medicine.

You can get prescriptions filled at any Amerigroup network pharmacy. Our network includes most major pharmacy chains and many independent community pharmacies.

Here’s a list of some of the pharmacies in our network:
- CVS
- Walmart
- Kmart
- Raleys Drug Center
- Smith’s Food & Drug Center
- Sav-On

Walgreens is not in the Amerigroup network.

For a complete list of Amerigroup network pharmacies:
- See the provider directory that came with your new member packet
- Go to www.myamerigroup.com/NV and click Find A Doctor

If you aren’t sure if a pharmacy is in our network, ask the pharmacist. You can also call Member Services for help at 1-800-600-4441 (TTY 711).

To get a prescription filled, follow these steps:
1) Take the written prescription from your provider to the pharmacy. Or your provider can call in the prescription to the pharmacy.
2) If you use a new pharmacy, tell the pharmacist about all of the medicines you are taking, including over-the-counter (OTC) medicines.
3) Show your Amerigroup ID card and your Medicaid ID card to the pharmacy.

It’s good to use the same pharmacy each time. This way, your pharmacist:
- Will know all the medicines you are taking
- Can watch for problems that may occur when you are taking more than one prescription
Special care for pregnant members

Taking Care of Baby and Me® is the Amerigroup program for all pregnant members. It’s very important to see your PCP or OB/GYN for care when you are pregnant. This kind of care is called prenatal care. It can help you have a healthy baby. Prenatal care is always important, even if you have already had a baby. With our program, members receive health information and gift cards as rewards for completing necessary prenatal care.

Our program also helps pregnant members with complicated health care needs. Nurse case managers work closely with these members to provide:

- Education
- Emotional support
- Help in following their doctor’s care plan

Our nurses also work with doctors to help keep you healthy and deliver healthy babies.

When you become pregnant

If you think you are pregnant:

- Call your PCP or OB/GYN right away. You don’t need a referral from your PCP to see an OB/GYN. Your OB/GYN should see you within seven days.
- Call Member Services if you need help finding an OB/GYN in the Amerigroup network.

When you find out you are pregnant:

- Call your welfare caseworker; tell him or her you are pregnant. This is to make sure your baby gets the care he or she needs.
- Make an appointment as soon as possible.

We will send you a pregnancy education package. It will include:

- A letter welcoming you to the Taking Care of Baby and Me program
- A self-care book with information about your pregnancy; you can also use this book to write down things that happen during your pregnancy
- The Taking Care of Baby and Me reward program brochure; it tells you how to get your gift for getting prenatal care

While you are pregnant, you need to take good care of your health. You may be able to get healthy food from the Women, Infants and Children Program (WIC). Member Services can give you the phone number for the WIC program close to you. Just call us.

When you are pregnant, you must go to your PCP or OB-GYN at least:

- Every four weeks for the first six months
- Every two weeks for the seventh and eighth months
- Every week during the last month

Your PCP or OB/GYN may want you to visit more than this based on your health needs.

When you have your new baby

When you deliver your baby, you and your baby may stay in the hospital at least:

- 48 hours after a vaginal delivery
- 96 hours after a Cesarean section (C-section)
You may stay in the hospital less time if your and your baby's providers think you and your baby are doing well. If you and your baby leave the hospital early, your PCP or OB/GYN may ask you to have an office or in-home nurse visit within 48 hours.

If you are a Nevada Check Up member:

- Call Nevada Check Up at 1-800-992-0900 within 14 calendar days of delivery. If you don't call Nevada Check Up within 14 calendar days of the birth, your baby will not be covered until the month after you call Nevada Check Up.

If you are a Medicaid member:

- Call Amerigroup Member Services as soon as you can.
  - Let your case manager know you had your baby. We will need to get information about your baby, too.
  - If you didn't pick a PCP for your baby before he or she was born, let the Member Services representative know. We can help you pick a PCP for your baby.
- Call your welfare caseworker to let the caseworker know your baby’s name and date of birth. This is to make sure your baby gets the care he or she needs.

After you have your baby

Amerigroup will send you the Taking Care of Baby and Me postpartum education package. It will include:

- A letter welcoming you to the postpartum part of the Taking Care of Baby and Me program
- A baby-care book with information about your baby's growth; you can also use this book to write down things that happen during your baby's first year
- Our Taking Care of Baby and Me reward program brochure; it tells you how to get your gifts for your postpartum visit
- A brochure about postpartum depression

DISEASE MANAGEMENT CENTRALIZED CARE UNIT

Amerigroup has a Disease Management Centralized Care Unit (DMCCU), which includes a team of licensed nurses and social workers, called DMCCU case managers. They are available to educate you about your condition and help you learn how to manage your care. Your primary care provider (PCP) and our team of DMCCU case managers will assist you with your health care needs.

DMCCU case managers provide support over the phone for members with:

- Diabetes
- HIV/AIDS
- Heart conditions
  - Coronary artery disease (CAD)
  - Congestive heart failure (CHF)
  - Hypertension
- Lung conditions
  - Asthma
  - Chronic obstructive pulmonary disease (COPD)
- Behavioral health conditions
  - Bipolar disorder
  - Major depressive disorder
  - Schizophrenia
  - Substance use disorder
DMCCU case managers work with you to create health goals and help you develop a plan to reach them.

As a member in the program, you will benefit from having a case manager who:
- Listens to you and takes the time to understand your specific needs
- Helps you create a care plan to reach your health care goals
- Gives you the tools, support and community resources that can help you improve your quality of life
- Provides health information that can help you make better choices
- Assists you in coordinating care with your providers

As an Amerigroup member enrolled in the (DMCCU), you have certain rights and responsibilities. You have the right to:
- Have information about Amerigroup; this includes all Amerigroup programs and services, as well as our staff’s education and work experience; it also includes contracts we have with other businesses or agencies
- Refuse to take part in or disenroll from programs and services we offer
- Know which staff members arrange your health care services and who to ask for a change
- Have Amerigroup help you make choices about your health care
- Learn about all DMCCU-related treatments; these include anything stated in the clinical guidelines, whether covered by Amerigroup or not; you have the right to discuss all options with your providers
- Have personal and medical information kept private under HIPAA; know who has access to your information and know what Amerigroup does to keep it private
- Be treated with courtesy and respect by Amerigroup staff
- File a complaint with Amerigroup and be told how to make a complaint; this includes knowing about the Amerigroup standards of timely response to complaints and resolving issues of quality
- Get information you can understand

You are encouraged to:
- Listen to and know the effects of accepting or rejecting health care advice
- Provide Amerigroup with information needed to carry out our services
- Tell Amerigroup and your providers if you decide to disenroll from DMCCU

If you have one of these conditions or would like to know more about our DMCCU, please call 1-888-830-4300 (TTY 711) Monday through Friday from 8:30 a.m. to 5:30 p.m. local time. Ask to speak with a DMCCU case manager. You can also visit our website at www.myamerigroup.com/NV and log in with your member information. Then, choose Programs and Info in Your Community. You can also call DMCCU if you would like a copy of DMCCU materials you find online.

SPECIAL AMERIGROUP SERVICES FOR HEALTHY LIVING

Health information
Learning more about health and healthy living can help you stay healthy. Here are some ways to get health information:
- Ask your primary care provider (PCP).
- Call us. Our Nurse HelpLine is available 24 hours a day, 7 days a week to answer your questions. They can tell you:
  - If you need to see your PCP
  - How you can help take care of some health problems you may have
Health A to Z

Amerigroup wants to help you make better health choices with Health A to Z. It’s an online resource that’s easy to use and includes a symptom checker and tests, tools and information on many health topics. Health A to Z is your one stop for questions about your health. Access Health A to Z on our website at www.myamerigroup.com/NV, and choose Programs and Info in Your Community.

Health education classes

Amerigroup can help you find classes near your home. You can call Member Services to find out where and when these classes are held.

Some of the classes include:

- Childbirth
- Infant care
- Parenting
- Pregnancy
- Quitting cigarette smoking
- Protecting yourself from violence
- Other classes about health topics

Some of the larger medical offices in our network show health videos. They talk about immunizations (shots), prenatal care and other important health topics. We hope you will learn more about staying healthy by watching these videos.

We will also mail a member newsletter to you twice a year. This gives you health news about well care and taking care of illnesses. It gives you tips on how to be a better parent and other topics.

Community events

Amerigroup sponsors and participates in special community events and family fun days where you can get health information and have a good time.

You can learn about topics like:

- Healthy eating
- Asthma
- Stress

People from Amerigroup will be there to answer your questions about your benefits, too. Call Member Services to find out when and where these events will be.

Amerigroup also sponsors monthly member meet and greets that provide information to educate you about your health care benefits and available services. These meet and greets are held throughout Clark and Washoe counties. Please call Member Services or go online to www.myamerigroup.com/NV for a list of upcoming dates and locations.

Boys & Girls Clubs

Amerigroup offers this special benefit to members ages 6 to 11. Children can join their neighborhood Boys & Girls Clubs for free. The clubs are a great place for children to go after school. They have computers, homework help, sports, business training and much more. There is something for everyone. Amerigroup will pay
for your child’s annual membership. Each Boys & Girls Club site has different services and may have additional costs. Please call Member Services to learn how to join.

**Domestic violence**

Domestic violence is abuse. Abuse is unhealthy. Abuse is unsafe. It is never OK for someone to hit you. It is never OK for someone to make you afraid. Domestic violence causes harm and hurt on purpose. Domestic violence in the home can affect your children, and it can affect you. If you feel you may be a victim of abuse, call or talk to your PCP. Your PCP can talk to you about domestic violence. He or she can help you understand you have done nothing wrong and don’t deserve abuse.

Safety tips for your protection:
- If you are hurt, call your PCP.
- Call 911 or go to the nearest hospital if you need emergency care. Please see the section **Emergency Care** for more information.
- Have a plan on how you can get to a safe place (like a women’s shelter or a friend’s or relative’s home).
- Pack a small bag and give it to a friend to keep until you need it.

If you have questions or need help:
- Call our Nurse HelpLine at 1-800-600-4441 (TTY 711)
- Call the National Domestic Violence hotline number at 1-800-799-7233 (TTY 711)

**MINORS**

Our network doctors and hospitals can’t give care to most Amerigroup members under age 18 without a parent’s or legal guardian’s consent. This doesn’t apply if emergency care is needed.

Parents or legal guardians also have the right to know what’s in their child’s medical records. Members under age 18 can ask their PCP not to tell their parents about their medical records, but the parents can still ask the PCP to see the medical records.

These rules don’t apply to emancipated minors. Emancipated minors may make their own decisions about their medical care and the medical care of their children. Parents no longer have the right to see the medical records of emancipated minors.

Members under age 18 may be emancipated minors if they:
- Are married
- Have a child
- Are pregnant
- Are emancipated by court order

**ADVANCE DIRECTIVES (LIVING WILLS OR DURABLE POWERS OF ATTORNEY)**

Emancipated minors and members over 18 years old have rights under the state’s advance directive law. An advance directive is a written statement by you telling how you want medical decisions made if you become unable to decide for yourself. There are a few types of advance directives:

1. **Living will or declaration** - A living will tells your health care providers and family about the type of life-sustaining actions you want and don't want if you suffer from a terminal illness or an irreversible condition. A living will doesn’t apply unless you can’t make decisions for yourself; until then you’ll be able to say what treatments you want or don’t want.
2. **Durable power of attorney for health care** - A durable power of attorney for health care will let you pick a person to make decisions for you when you can't make them yourself. You can also include information about any treatment you want or don't want. Ask your PCP or specialist about these forms.

You can have either a living will or a durable power of attorney for health, or you can have both documents. A living will is your personal statement regarding the types of life-sustaining treatment you want if you’re not able to share your desires. A durable power of attorney for health care covers more than the living will. It covers any medical decisions, not just decisions concerning life-sustaining treatment.

If you wish to sign a living will, you can:
- Ask your PCP for a living will form or call Member Services to get one
- Fill out the form
- Take or mail the completed form to your PCP or specialist; your PCP or specialist will then know what kind of care you want to get

You can change your mind any time after you have signed a living will:
- Call your PCP or specialist to remove the living will from your medical record.
- Fill out and sign a new form if you wish to make changes in your living will.

Your PCP will require you to sign the Acknowledgement of Patient Information on Advance Directives form. Your signed form, along with your advance directive, will be kept on file with your medical record.

**Right to object**

Nevada law says your PCP and other providers, individually and/or institutionally, have the right to object to the request you make in your advance directive. You can find the law in the Nevada Revised Statutes Annotated Section 449.628.

**Individual and institutional objection**

An individual objection is when your individual PCP or other providers treating you will not honor your advance directive on the basis of their conscience (beliefs).

An institutional objection is when an entire institution, like a hospital or health system, will not honor your advance directive for reasons of conscience (beliefs). The range of medical conditions that may be objected to by individual and institutional providers could be different from provider to provider. Be sure to ask your PCP and other providers if they have objections to the requests you have included in your advance directive.

If your PCP or other provider objects to the request for care you make in your advance directive, you have the right to select another PCP or provider who will honor your request. Please call Member Services at 1-800-600-4441 (TTY 711) for help.

If you have a grievance about your advance directive, contact Member Services or file your grievance with DHCFP at:

Division of Health Care Financing and Policy
1100 E. William St., Suite 101
Carson City, NV 89701
775-684-3676
GRIEVANCES AND MEDICAL APPEALS

If you have any questions or concerns about your Amerigroup benefits, please call Member Services at 1-800-600-4441 (TTY 711). You can also write to us.

Grievances

If you have a problem with our services or network providers, we would like you to tell us about it. Please call Member Services and we will try to solve your problem on the phone.

If we can’t take care of the problem when you call us, you can file a grievance. You can:

- Write a letter to us and include information, such as:
  - The date the problem happened
  - The names of people involved
  - Details about the problem
- File a grievance on the phone
- Ask Member Services for help with writing a letter; include information such as the date the problem happened and the people involved
- Send your letter to:
  Quality Management Department
  Amerigroup Community Care
  Desert Canyon, Bldg. 9
  9133 W. Russell Road.
  Las Vegas, NV 89148

When we get your call or letter, we will:
1. Send you a letter within five calendar days to let you know we received your grievance
2. Look into your grievance in a timely manner
3. Send you a letter within 90 calendar days of when you first told us about your grievance; the letter will tell you what we decide

Second level grievance review

You may file a second level grievance review if you’re not happy with our decision, and your grievance is about:

- Your ability to receive benefit coverage
- Access to care
- Access to services
- Payment for services

Ask us for a second level grievance review in writing within 90 calendar days of the date on the original grievance resolution letter we sent you. Mail your second level grievance review request to the same address that you sent your initial grievance request. We’ll send you a letter within five calendar days to let you know we got your request. Someone at a higher level than the reviewer who looked at your initial grievance request will look at your second level request. We’ll send you a letter with our decision within 30 calendar days.

The second level grievance review is the final level of review for grievances.
**Appeals**

**Medical appeals**

There may be times when Amerigroup says we will deny, end or reduce a service we approved. We may also say we won’t pay for all or part of the care your provider asked for. If we decide to deny care a provider asked for or to end or reduce a service you’re currently approved to get, we’ll send you a letter called a Notice of Action.

For standard approval requests, Amerigroup has 14 days to respond and either approve or deny the service request.

For expedited (rushed) approval requests, when you need a quick response, Amerigroup has 72 hours or less to respond and either approve or deny the service request. If Amerigroup is reducing or ending a previously authorized service, we must send you a Notice of Action at least 10 days before the date we plan to reduce or end the covered service.

If Amerigroup sends you a Notice of Action, you can appeal the decision. Your provider can appeal our decision for you if he or she has your written permission.

A medical appeal is when you ask us to look again at the care we said we wouldn’t pay for. You must file for a medical appeal within 90 calendar days from the date on our first denial letter. A medical appeal can be filed by:

- You
- A person helping you
- Your PCP or the provider taking care of you at the time

If you want your PCP or provider to file an appeal for you, he or she must have your written permission unless you are asking for an expedited appeal.

To continue receiving services we have already approved and are now denying, you or your provider must complete a Request to Continue Benefits during an Appeal or Fair Hearing form and return it to us on or before the later of:

- 10 calendar days after we mail the denial notice
- The date the notice says your service will end

You can appeal our decision in two ways:

1. **Call us**
   - Call Member Services and ask to appeal.
   - Let us know if you want someone else to help you with the appeal process, such as a family member, friend, your PCP or the provider taking care of you at the time.

   If you call us, we will:
   - Send you a Request for Appeal Review form. **You must complete and sign this form and return it to us within 10 calendar days.**
   - Send you a letter within five calendar days from when we get your signed form to let you know we got your request for an appeal.

   If you are asking for an expedited appeal, you don’t need to send us any documents in writing. See the section called **Expedited Appeals** for details.
2. **Write us**
   - Send us a letter letting us know the care you are looking for and the people involved.
   - Have your doctor send us your medical information about this service to:
     - Medical Appeals
     - Amerigroup Community Care
     - P.O. Box 62429
     - Virginia Beach, VA 23466-2429
     - Fax: 1-888-235-9334

You or the person filing the appeal on your behalf can present information about your appeal either in writing or in person.

When we get your letter, we will send you a letter within five calendar days. The letter will let you know we got your request for appeal.

After we receive your appeal:
   - A different provider than the one who made the first decision will look at your appeal
   - We will send you and your provider a letter telling you our decision within 30 calendar days from when we get your appeal

We’ll tell you and your provider how to find out more about the decision. We’ll tell you your rights to request a state fair hearing if you aren’t happy with our decision. You may also request a copy (free of charge) of the documents used to make the appeal decision, including your medical records and guidelines.

If we need more information about your appeal:
   - We may ask for medical records to help us make a decision. You, your PCP or the provider giving you care must forward the records to us within seven calendar days
   - Upon state approval or your request, we may extend the appeal process for 14 calendar days if it is in your best interest
   - If the state approves our extension request, we will let you or the person you asked to file the appeal for you know in writing the reason for the delay

You may ask us to extend the process if you know more information that we should consider.

After you have completed the Amerigroup appeal process, you may ask for a state fair hearing. See the section **Fair Hearings** for more details.

**Expedited appeals**

You or the person you ask to file an appeal for you can request an expedited appeal. You can request an expedited appeal if you or your provider feels that taking the time for the standard appeals process could seriously harm your life or your health.

You or your provider can request an expedited appeal in two ways:
1. Call Member Services toll free at 1-800-600-4441 (TTY 711)
2. Mail a letter to:
   - Member Appeals
   - Amerigroup Community Care
   - Desert Canyon, Bldg. 9
   - 9133 W. Russell Road.
   - Las Vegas, NV 89148
When we get your letter or call, we will send you a letter with our decision within three calendar days.

If you have more information you’d like us to look at, you must get it to us right away (within one or two days). If we need more information about your appeal:
- Upon state approval, we may extend the appeals process for 14 days
- If the state approves our extension request, we will let you know in writing the reason for the delay

You may also ask us to extend the process if you have more details that we should review.

If we don’t agree that your request for an appeal should be expedited, we’ll:
- Call you right away
- Send you a letter within two calendar days to let you know how the decision was made and that your appeal will be reviewed through the standard review process of 30 calendar days

If the decision on your expedited appeal upholds (agrees with) our first decision and we will not pay for the care your doctor asked for, we’ll call you and send you a letter. This letter will:
- Let you know how the decision was made
- Tell you about your rights to request an expedited state fair hearing

**Provider payment appeals**

If you receive a service from a provider and we don’t pay for that service, you may receive a notice from Amerigroup called an Explanation of Benefits (EOB). This isn’t a bill. The EOB will tell you:
- The date you received the service
- The type of service
- The reason we can’t pay for the service

**If you receive an EOB, you don’t need to call or do anything at that time, unless you want to appeal the decision.**

A payment appeal is when your provider asks Amerigroup to look again at the service we said we wouldn’t pay for. Your provider must ask for a payment appeal within 90 calendar days of receiving the EOB.

Payment appeals must be submitted in writing by your provider.

**Fair hearings**

You have the right to ask for a fair hearing from the state after the Amerigroup appeal process has been exhausted. You may ask for a fair hearing within 90 calendar days from the date of the appeal denial letter.

You can ask for a fair hearing by sending the Member State Fair Hearing form we sent you with the denial notice or a letter asking for a state fair hearing with the Amerigroup denial notice to:

Nevada Division of Health Care Financing and Policy Hearings
1100 E. William St., Suite 102
Carson City, NV 89701

If you have any questions about your rights to request a fair hearing, call Amerigroup Member Services. If you have questions regarding the fair hearing, you may call the hearings supervisor in the Las Vegas area at 702-486-3000, ext. 43604; or the Carson City area at 775-684-3604. You may also call toll free 1-800-992-0900, ext. 43604.
If you ask for a fair hearing, you will get a letter from the state telling you the date and time of the hearing preparation meeting. The hearing preparation meeting will be held by phone, and you can explain why you disagree with the decision made by Amerigroup. If you proceed to a fair hearing, you must attend the fair hearing in person unless you get the hearing officer’s consent to attend by phone. You don’t have to pay any costs to take part in the hearing.

Continuation of benefits
You may ask Amerigroup to continue to cover your benefits during the appeal or fair hearing process. Call Member Services or send us the form you got with your Notice of Decision. The request to continue benefits applies to inpatient stays, outpatient services or pharmacy benefits approved by Amerigroup that you still get now.

Your first request to continue benefits may be verbal. But you must also ask in writing. If you want to keep getting benefits, please fill out the Request to Continue Benefits during an Appeal or a Fair Hearing form and return it to:

Appeals Department
Amerigroup Community Care
Desert Canyon, Bldg. 9
9133 W. Russell Road.
Las Vegas, NV 89148

To continue services during the appeal or fair hearing:
- You must request to continue benefits within 10 calendar days of the notice of action or by the effective date of the reduction, suspension or termination of the service
- Any previously authorized course of treatment must have ended or been suspended or reduced
- Services must have been ordered by an authorized provider
- The coverage period of the original approval must still be in effect

We must continue coverage of your benefits until:
- You withdraw the appeal
- 10 days from the date of our first decision if you haven’t requested a fair hearing
- A fair hearing decision is reached and isn’t in your favor
- Authorization expires or your service limits are met

Amerigroup will pay for services you get during the time your benefits were continued until a final decision is made. You may have to pay for the cost of any continued benefit if the final decision isn’t in your favor.

If a decision is made in your favor as a result of your appeal or fair hearing, we’ll authorize and pay for the services we denied coverage of before.

OTHER INFORMATION

If you move or your family size changes
If you’re a Medicaid member, you must contact your welfare caseworker as soon as you move to report your new address or if your family size changes. Please find the number to call under the section Important Phone Numbers.
If you’re a Nevada Check Up member, you should call Nevada Check Up when your family size changes or you move to a new address. Please find the number to call under the section Important Phone Numbers.

Once you call the state, you should then call Amerigroup Member Services. If you move out of the service area, you will continue to get health care services through us until you are disenrolled. You must call Amerigroup before you can get any services in your new area unless it is an emergency.

How to renew your Medicaid or Nevada Check Up benefits on time

Keep the right care. You need to renew your benefits every 12 months. If you don’t, you could lose your Medicaid or Nevada Check Up benefits, even if you still qualify.

If you’re a Nevada Medicaid member, the Nevada Division of Welfare and Supportive Services (DWSS) will send you a letter telling you it is time to renew your Medicaid benefits. You will receive a renewal package about two months before the date you need to renew your benefits. You can return the packet via mail or renew online at www.dwss.nv.gov.

If you’re a Nevada Check Up member, the Nevada Division of Health Care Financing and Policy (DHCFP) will send you a letter telling you it is time to renew your Nevada Check Up benefits. You will receive a renewal package about two months before the date you need to renew your benefits.

If you don’t renew your eligibility by the date in the letter, you’ll lose your health care benefits. Your DWSS or welfare caseworker can answer your questions about renewing your benefits. We want you to keep getting your health care benefits from us as long as you still qualify. Your health is very important to us.

If you’re no longer eligible for Medicaid or Nevada Check Up

You’ll be disenrolled from Amerigroup if you’re no longer eligible for Medicaid or Nevada Check Up benefits. If you’re ineligible for Medicaid or Nevada Check Up for two months or less and then become eligible again, you’ll be re-enrolled in Amerigroup. If possible, you’ll be given the same PCP you had when you were in Amerigroup before. You’ll be assigned to the same PCP as your other family members where appropriate.

How to disenroll from Amerigroup

If you live in urban Clark or Washoe counties, you must be enrolled with a Managed Care Organization (MCO). In most cases, you will not be able to go back to the Fee-For-Service program unless you have a special medical condition that may qualify under the state’s rules.

If you don’t like something about Amerigroup, please call Member Services. We’ll work with you to try to fix the problem. If you’re still not happy, you may:

- Change to another health plan at any time during the first 90 days of enrolling with Amerigroup. If you’re a new Medicaid or Nevada Check Up member, you may mail your request to:
  HPES
  P.O. Box 30042
  Reno, NV 89520.
  Please include your Medicaid number, your address and your phone number.
- Change health plans after the first 90 days of enrollment with good cause. Good cause reasons to disenroll are:
  - You move out of the service area
  - Amerigroup doesn’t, because of moral or religious objections, cover the service you seek
− You need related services, not available in our network, to be performed at the same time, and your PCP or other provider believes getting the services separately would subject you to unnecessary risk
− Poor quality of care, lack of access to covered services, lack of access to providers experienced in dealing with your health care needs, or if DHCFP imposes sanctions against Amerigroup

• Change health plans without cause during the annual open enrollment period
  − If you choose Amerigroup or a new managed care organization during open enrollment, you will be enrolled in the plan for the next 12 months. You can choose to switch back to your old managed care organization within the first 90 days after open enrollment. On the 91st day, you can only change health plans during the next 12 months if you can show good cause.

Wanting to go to a provider that isn’t in the Amerigroup network isn’t considered “good cause.”

If you’d like to be disenrolled from Amerigroup to enroll in a different health plan, you can do one of the following:
  • Call Amerigroup Member Services toll free to request a disenrollment form
  • Send us a letter; include:
    – Your name
    – Amerigroup ID number
    – A phone number where you can be reached
    – A complete description of your request to disenroll including specific supporting documentation of a good cause reason listed above

Send the completed disenrollment form or letter to:
Disenrollment Department
Amerigroup Community Care
Desert Canyon, Bldg. 9
9133 W. Russell Road.
Las Vegas, NV 89148

When we get your disenrollment form or letter, we’ll review your request within 14 calendar days of when we receive it. We’ll send you a letter within 10 calendar days of when we make our decision.

The letter will let you know what we decide. If your health condition requires a faster response, we’ll make our decision as quickly as possible based upon your medical needs.

**Reasons you can be disenrolled from Amerigroup**

There are several reasons you could be disenrolled from Amerigroup without asking to be. Some of these are listed below. If you have done something that may lead to disenrollment, we’ll contact you. We’ll ask you to tell us what happened.

You could be disenrolled if:
  • You are no longer eligible for Medicaid or Nevada Check Up
  • You move out of the Amerigroup service area
  • You don’t pay your Nevada Check Up premiums on a quarterly basis
  • You let someone else use your Amerigroup ID card
  • You try to hurt a provider, a staff person or Amerigroup associate
  • You steal or destroy property of a provider or Amerigroup
  • You try to hurt other patients or make it hard for you or other patients to get needed care
• You have to stay in a nursing facility for more than 45 days
• You have to stay in a swing bed at an acute hospital for more than 45 days
• You are placed in an intermediate care facility for the mentally retarded or an institution for mental diseases
• You need adult day health care
• You choose a Home- and Community-based Waiver program
• You’re detained by or entrusted to the state
• You’re placed in a residential treatment center (Medicaid Members only)

If you have any questions about your enrollment, call Member Services.

If you get a bill or your primary care provider charges you a fee

When going to a provider, always verify that he or she is in the Amerigroup network. Always show your Amerigroup ID card when you visit a provider, go for tests or to the hospital. Showing your member ID card tells the provider to bill the covered medical services to Amerigroup.

Under the Nevada Medicaid and Nevada Check Up program, your PCP cannot bill you or charge you a fee for any of the following:
• You cancel or don’t go to your appointment
  – If you refuse to sign a form saying you will pay for missed appointments, your provider isn’t allowed to withhold treatment or refuse to let you return
• You ask for the first copy of your medical records
  – You’ll be charged a reasonable fee for extra copies
• Your PCP doesn’t submit your claim for services to Amerigroup within a certain period of time
• Your PCP’s claim for services has been rejected by Amerigroup and your provider hasn’t submitted a corrected claim within a certain period of time

If you’re charged for any of these reasons, please call Member Services to report the issue. Amerigroup will contact your PCP and notify them they’re not allowed to send you a bill.

If you do get a bill for medical services your PCP provided to you, send it to Amerigroup with a letter saying you’ve been sent a bill. Amerigroup will contact your PCP.

Send the letter to:
Claims
Amerigroup Community Care
P.O. Box 61010
Virginia Beach, VA 23466-1010

You can also call Member Services for help.

You will receive a bill when your PCP performs a service that has been denied as not medically needed or isn’t an Amerigroup covered benefit, only if both of the following conditions are met:
• You request the specific service or item
• Your PCP obtains and keeps a written acknowledgement statement in your medical chart signed by you and your provider stating the following:
"I understand that, in the opinion of (Provider's Name), the services or items I have requested to be provided to me on (Dates of Service) may not be covered under Amerigroup as being reasonable and medically necessary for my care or be an Amerigroup-covered benefit. I understand that Amerigroup has established the medical necessity standards for the services or items that I request and receive. I also understand that I’m responsible for payment of the services or items I request and receive if these services or items are determined to be inconsistent with the Amerigroup medically necessary standards for my care or are not covered benefits."

Signature: _______________________________________________
Date: ___________________________________________________

If you have other health insurance (coordination of benefits)
Please call your welfare caseworker and Amerigroup Member Services if you or your children have other insurance. The other insurance plan needs to be billed for your health care services before Amerigroup can be billed. Amerigroup will work with the other insurance plan on payment for these services.

Changes in your Amerigroup coverage
Sometimes, Amerigroup may have to make changes in the way we work, our covered services or our network providers and hospitals. We’ll mail you a letter when we make changes in the services we cover. Your PCP’s office may move, close or leave our network. If this happens, we’ll call or send you a letter to tell you about this.

We can also help you pick a new PCP. You can call Member Services if you have any questions. Member Services can also send you a current list of our network PCPs.

How to tell Amerigroup about changes you think we should make
We want to know what you like and don’t like about Amerigroup. Your ideas will help make us better. Please call Member Services to tell us your ideas. You can also send a letter to:
Amerigroup Community Care
P.O. Box 62509
Virginia Beach, VA 23462

Members can also serve on the Consumer Advocacy Committee, which meets quarterly. This offers members a time to find out more about us, ask questions and give us suggestions for improvement. If you’d like to be part of this group, call Member Services.

Each year, we send surveys to some members. The surveys ask questions about how you like Amerigroup. If we send you a survey, please fill it out and send it back. Our staff may also call to ask how you like Amerigroup. Please tell them what you think. Your ideas can help us make us better. We want to give you the quality care you deserve.

How Amerigroup measures the quality of your care
To help providers and health plan employees choose the best care for specific health issues, we have a process to create, change and distribute nationally known Clinical Practice Guidelines (CPGs) and health service delivery standards to all our providers. Members can also request a copy of the guidelines by contacting Member Services or the Quality Management department.

CPGs are based on scientific evidence and focus on a broad range of health care including:

- Preventive health (keeping you healthy)
- Maternity care to help ensure healthy moms and babies
Amerigroup measures how often you need care and the quality of care you receive through a set of standard performance measures related to these guidelines, including:

- Frequency of childhood wellness visits
- Childhood immunizations
- Lead screenings
- Mammograms and Pap smears
- Pregnancy care
- Diabetes screenings and tests

These measures are tracked with other health plans. These measures also give us the chance to help improve your health by:

- Providing educational tools to you and your PCP through newsletters and community events
- Mailing reminder cards to you and your family members to help you get routine preventive care and shots on time

Why does Amerigroup measure quality of care?
These results tell us how healthy you are. Some of the measures have tests that show good health or the right types of care. Some tests tell us when we need to watch your health to keep you from getting sick.

What does this mean to you?
Amerigroup wants to help you stay healthy. You are the most important decision maker when it comes to making health care choices. Amerigroup reviews the care and services available to you, what we have provided and your feedback. This helps us learn how we can make our services better.

What can you do about your own health?
You can also help your PCP know what kind of care is right for you by following these important steps:

- Get tests and health care services on time
- Keep appointments for routine checkups to help keep you healthy
- Read and follow the instructions on any reminders you get from Amerigroup

If you have a question about your health or the kind of care you might need, please call our 24-hour Nurse HelpLine at 1-800-600-4441 (TTY 711). Nurses are available any time, day or night.

How Amerigroup pays providers
Different providers in our network have agreed to be paid in different ways by us. Your provider may be paid each time he or she treats you (Fee-For-Service). Or your provider may be paid a set fee each month for each member whether or not the member actually gets services (capitation). Your provider may also participate in the Amerigroup Provider Quality Incentive Program (PQIP).

These kinds of pay may include ways to earn more money. This kind of pay is based on different things like how happy a member is with the care or quality of care. It is also based on how easy it is to find and get care.
If you want more details about how our contracted providers or any other providers in our network are paid, please call the Amerigroup Member Services department or write to us at:

Amerigroup Community Care
P.O. Box 62509
Virginia Beach, VA 23462

YOUR RIGHTS AND RESPONSIBILITIES AS AN AMERIGROUP MEMBER

Your Rights

As an Amerigroup member, you have the right to:

- Be treated with respect and in terms of your dignity and right to privacy; this includes:
  - Knowing your medical records and discussions with your primary care providers (PCPs) will be kept private and confidential
  - Being treated fairly
- Receive information about Amerigroup, our services, PCPs and providers, and your rights and responsibilities
- Choose a PCP who is part of the Amerigroup network and to refuse care from specific PCPs and providers; this includes:
  - Knowing how to choose and change your health plan and PCP
  - Choosing any health plan you want that is available in your area and choosing your PCP from that plan
  - Changing your PCP
  - Selecting a specialist to serve as your PCP if you have a chronic condition
  - Changing your health plan without penalty
- Participate in the decision-making process for your health care; this includes:
  - Working as part of a team with your PCP to decide what health care is best for you
  - Taking part in an honest discussion on the proper or medically needed treatment options for your condition, without concern about the cost or benefit coverage
  - Deciding on care recommended by your PCP
  - Being told and understanding the results of the decision
  - Refusing treatment
- Express and expect resolution of grievances and appeals about:
  - Amerigroup
  - Our network PCPs and providers
  - The care you’re provided
- Create an advance directive to tell your doctor the kind of care you want if you’re not able to communicate your decisions
- Have access to your medical records in agreement with all Federal and state laws, and be able to request the records be changed or corrected in agreement with Federal and state laws
- Make suggestions about the Amerigroup Member Rights and Responsibilities policy
- Be free from any form of restraint or seclusion used as a means of coercion, discipline, convenience or retaliation
- Get information on available treatment options and alternatives in a way you are able to understand
Your Responsibilities
As an Amerigroup member, you have the responsibility to:

- Provide information, the best that you can, to help Amerigroup and our providers give you the right care, including:
  - Telling your PCP about your health
  - Talking to your PCP about your health care needs and asking questions about your treatment options
  - Helping your PCP get your medical records
  - Providing your PCP with the right information
- Follow instructions and guidelines given by Amerigroup, your PCP and other providers
- Understand your health problems and work with your PCP and providers to find an agreed upon plan to help treat your illness or condition, including:
  - Working as a team with your PCP to decide what health care is best for you
  - Understanding how what you do can affect your health
  - Doing the best you can to stay healthy
  - Treating providers and staff with respect
- Notify Amerigroup if you have other health insurance
- Carry your ID card at all times

Call Amerigroup Member Services if you have a problem and need help.

Amerigroup provides health coverage to our members on a nondiscriminatory basis, according to state and federal law, regardless of gender, race, age, religion, national origin, physical or mental disability, or type of illness or condition.

HOW TO REPORT SOMEONE WHO IS MISUSING THE MEDICAID OR NEVADA CHECK UP PROGRAM

Important terms

Fraud is any deception or misrepresentation made intentionally through willful ignorance, or reckless disregard by a person or entity, in order to receive benefits or funds to which they aren’t entitled.

Abuse includes practices that are inconsistent with sound financial, business or medical practices that results in unnecessary cost to the government healthcare program, such as Medicaid or Check Up, or in reimbursement for services that aren’t medically necessary or that fail to meet professionally recognized standards for health care. It also includes any practices by Medicaid and Check Up members that result in unnecessary costs to the Medicaid or Check Up programs. An overpayment is a payment made to a provider that is over the amount due for the service provided.

If you know someone who is misusing (through fraud, abuse and/or overpayment) the Medicaid or Check Up programs, you can report him or her.

To report doctors, clinics, hospitals, nursing homes, or Medicaid or Nevada Check Up enrollees, write or call Amerigroup at:
Corporate Investigations Department
Amerigroup Community Care
4425 Corporation Lane
Virginia Beach, VA 23462
1-800-600-4441
Suspicions of fraud and abuse can be emailed directly to the Amerigroup Community Care Corporate Investigations department at corpinvest@amerigroup.com.

**Online:** Suspicions of fraud and abuse can also be sent to the Corporate Investigations department through the Amerigroup website at www.myamerigroup.com. There are fraud and abuse links on the website to report details about a possible issue. This information is sent directly to the email address above, which is checked every business day.

You can also call the Attorney General’s Fraud Hotline at 1-800-266-8688.

**WE HOPE THIS BOOK HAS ANSWERED MOST OF YOUR QUESTIONS ABOUT AMERIGROUP. FOR MORE INFORMATION, CALL MEMBER SERVICES AT 1-800-600-4441 (TTY 711).**

This handbook is not a certificate of insurance and shall not be construed or interpreted as evidence of insurance coverage between Amerigroup and the enrollee.
THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION WITH REGARD TO YOUR HEALTH BENEFITS. PLEASE REVIEW IT CAREFULLY.

HIPAA NOTICE OF PRIVACY PRACTICES

The original effective date of this notice was April 14, 2003. The most recent revision date is shown at the end of this notice.

Please read this notice carefully. This tells you who can see your protected health information (PHI). It tells you when we have to ask for your OK before we share it. It tells you when we can share it without your OK. It also tells you what rights you have to see and change your information.

Information about your health and money is private. The law says we must keep this kind of information, called PHI, safe for our members. That means if you’re a member right now or if you used to be, your information is safe.

We get information about you from state agencies for Medicaid and the Children’s Health Insurance Program after you become eligible and sign up for our health plan. We also get it from your doctors, clinics, labs and hospitals so we can OK and pay for your health care.

Federal law says we must tell you what the law says we have to do to protect PHI that’s told to us, in writing or saved on a computer. We also have to tell you how we keep it safe. To protect PHI:

- On paper (called physical), we:
  - Lock our offices and files
  - Destroy paper with health information so others can’t get it
- Saved on a computer (called technical), we:
  - Use passwords so only the right people can get in
  - Use special programs to watch our systems
- Used or shared by people who work for us, doctors or the state, we:
  - Make rules for keeping information safe (called policies and procedures)
  - Teach people who work for us to follow the rules

When is it OK for us to use and share your PHI?

We can share your PHI with your family or a person you choose who helps with or pays for your health care if you tell us it’s OK. Sometimes, we can use and share it without your OK:

- For your medical care
  - To help doctors, hospitals and others get you the care you need
- For payment, health care operations and treatment
  - To share information with the doctors, clinics and others who bill us for your care
  - When we say we’ll pay for health care or services before you get them
  - To find ways to make our programs better, as well as giving your PHI to health information exchanges for payment, health care operations and treatment. If you don’t want this, please visit www.myamerigroup.com/pages/privacy.aspx for more information.
- For health care business reasons
  - To help with audits, fraud and abuse prevention programs, planning and everyday work
  - To find ways to make our programs better
- For public health reasons
  - To help public health officials keep people from getting sick or hurt
• **With others who help with or pay for your care**
  – With your family or a person you choose who helps with or pays for your health care, if you tell us it’s OK
  – With someone who helps with or pays for your health care, if you can’t speak for yourself and it’s best for you

We must get your OK in writing before we use or share your PHI for all but your care, payment, everyday business, research or other things listed below. We have to get your written OK before we share psychotherapy notes from your doctor about you.

You may tell us in writing that you want to take back your written OK. We can’t take back what we used or shared when we had your OK. But we will stop using or sharing your PHI in the future.

**Other ways we can – or the law says we have to – use your PHI:**
• To help the police and other people who make sure others follow laws
• To report abuse and neglect
• To help the court when we’re asked
• To answer legal documents
• To give information to health oversight agencies for things like audits or exams
• To help coroners, medical examiners or funeral directors find out your name and cause of death
• To help when you’ve asked to give your body parts to science
• For research
• To keep you or others from getting sick or badly hurt
• To help people who work for the government with certain jobs
• To give information to workers’ compensation if you get sick or hurt at work

**What are your rights?**
• You can ask to look at your PHI and get a copy of it. We don’t have your whole medical record, though. If **you want a copy of your whole medical record, ask your doctor or health clinic.**
• You can ask us to change the medical record we have for you if you think something is wrong or missing.
• Sometimes, you can ask us not to share your PHI. But we don’t have to agree to your request.
• You can ask us to send PHI to a different address than the one we have for you or in some other way. We can do this if sending it to the address we have for you may put you in danger.
• You can ask us to tell you all the times over the past six years we’ve shared your PHI with someone else. This won’t list the times we’ve shared it because of health care, payment, everyday health care business or some other reasons we didn’t list here.
• You can ask for a paper copy of this notice at any time, even if you asked for this one by email.
• If you pay the whole bill for a service, you can ask your doctor not to share the information about that service with us.

**What do we have to do?**
• The law says we must keep your PHI private except as we’ve said in this notice.
• We must tell you what the law says we have to do about privacy.
• We must do what we say we’ll do in this notice.
• We must send your PHI to some other address or in a way other than regular mail if you ask for reasons that make sense, like if you’re in danger.
• We must tell you if we have to share your PHI after you’ve asked us not to.
• If state laws say we have to do more than what we’ve said here, we’ll follow those laws.
• We have to let you know if we think your PHI has been breached.
We may contact you
You agree that we, along with our affiliates and/or vendors, may call or text any phone numbers you give us, including a wireless phone number, using an automatic telephone dialing system and/or a pre-recorded message. Without limit, these calls or texts may be about treatment options, other health-related benefits and services, enrollment, payment or billing.

What if you have questions?
If you have questions about our privacy rules or want to use your rights, please call Member Services at 1-800-600-4441. If you’re deaf or hard of hearing, call TTY 711.

What if you have a complaint?
We’re here to help. If you feel your PHI hasn’t been kept safe, you may call Member Services or contact the Department of Health and Human Services. Nothing bad will happen to you if you complain.

Write to or call the Department of Health and Human Services:
Office for Civil Rights
U.S. Department of Health and Human Services
90 Seventh St., Suite 4-100
San Francisco, CA 94103
Phone: 1-800-368-1019
TDD: 1-800-537-7697
Fax: 415-437-8329

We reserve the right to change this Health Insurance Portability and Accountability Act (HIPAA) notice and the ways we keep your PHI safe. If that happens, we’ll tell you about the changes in a newsletter. We’ll also post them on the Web at www.myamerigroup.com/pages/privacy.aspx.

Race, ethnicity and language
We receive race, ethnicity and language information about you from the state Medicaid agency and the Children’s Health Insurance Program. We protect this information as described in this notice.

We use this information to:
• Make sure you get the care you need
• Create programs to improve health outcomes
• Develop and send health education information
• Let doctors know about your language needs
• Provide translator services

We do not use this information to:
• Issue health insurance
• Decide how much to charge for services
• Determine benefits
• Disclose to unapproved users

Your personal information
We may ask for, use and share personal information (PI) as we talked about in this notice. Your PI is not public and tells us who you are. It’s often taken for insurance reasons.
• We may use your PI to make decisions about your:
  – Health
  – Habits
  – Hobbies
• We may get PI about you from other people or groups like:
  – Doctors
  – Hospitals
  – Other insurance companies
• We may share PI with people or groups outside of our company without your OK in some cases.
• We’ll let you know before we do anything where we have to give you a chance to say no.
• We’ll tell you how to let us know if you don’t want us to use or share your PI.
• You have the right to see and change your PI.
• We make sure your PI is kept safe.

Revised January 28, 2016
