How to choose a primary care provider

Within a few weeks after you are assigned to Amerigroup, you will receive a letter from us assigning a primary care provider (PCP). Your assigned PCP should be the same doctor you were seeing before through TennCare. If your PCP is not the same doctor, you can call Amerigroup anytime and tell us who you want as your PCP. Switching your PCP will not cause you to lose any of your health care benefits as long as that PCP is in the Amerigroup network of providers.

If you cannot find your current PCP or specialist in the provider directory, please visit www.myamerigroup.com/TN. Click on Find a Doctor. Using this tool, you can search the most current listing of Amerigroup providers. You can search for a provider by ZIP code, name, provider type and specialty.

If you are a new member, you can choose your PCP from the provider network. If you do not choose a PCP, Amerigroup will assign one to you.

If you have any questions, call Member Services at 1-800-600-4441.

How to get OB/GYN services

You have the right to see an Amerigroup OB/GYN without a referral from your PCP for services, including:

- One well-woman checkup per year

We encourage you to have your children screened. TennCare Kids screenings include medical checkups. They also include dental checkups, starting at age 3, or earlier if needed.

Amerigroup network providers do TennCare Kids screenings using the standards of the American Academy of Pediatrics. The following things will happen at a TennCare Kids medical checkup (screening):
