

We're glad you're part of our health plan!

Every year, your value-added services, or extra benefits, can change.

We want to let you know about important changes to your extra benefits, starting September 1, 2022.

The following new benefits affect the section in the member handbook about extra benefits and how to get these services:

- Up to \$250 each year for routine dental services including two cleanings with checkups and one set of X-rays. This benefit is not available for HCBS STAR+PLUS Waiver members or Community First Choice members.
- Kick the Habit: A tobacco cessation program with online activities, education materials, and products. This program can help members as they try to quit using tobacco or chew, smoking cigarettes, or vaping.
- This new program replaces the previous Nicotine Recovery Support Program.

You can find more benefit details, including exclusions and limitations, in the newest member handbook. **Get a copy for free at myamerigroup.com/TX.**
