Note: Our plan has an exclusive contract with **Liberty Dental** for **routine dental care**. Your dental benefit includes routine dental care. You will need to go to a provider with the Liberty Dental network.

To find a provider for your **medical dental care**, go to the Specialty Care Providers section of this directory. For medical dental care to be covered, you have to use a dental provider in our plan (in-network doctor). Covered medical dental care is limited to certain conditions. Refer to your Amerigroup STAR+PLUS MMP Member Handbook for medical dental care available and benefit limitation amounts.
