I. What to do if you suspect fraud

Most health care professionals and organizations that provide services are honest. Unfortunately, there may be some who are dishonest.

If you think a doctor, hospital or other pharmacy is doing something wrong, please contact us.

- Call us at Amerigroup STAR+PLUS MMP Member Services. Phone numbers are on the cover of this summary.
- Or, call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.

Let us know if you think a doctor, dentist, pharmacist at a drug store, other health care providers, or a person getting benefits is doing something wrong. Doing something wrong could be fraud, waste, or abuse, which is against the law. For example, tell us if you think someone is:

- Getting paid for services that weren't given or weren't necessary.
- Not telling the truth about a medical condition to get medical treatment.
- Letting someone else use their Texas Medicaid ID.
- Using someone else's Texas Medicaid ID.
- Not telling the truth about the amount of money or resources he or she has to get benefits.
