## B. Providers

### B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
  - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
  - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.

---

**If you have questions**, please call Amerigroup STAR+PLUS MMP at 1-855-878-1784 (TTY: 711), Monday through Friday from 8 a.m. to 8 p.m. The call is free. **For more information**, visit [www.myamerigroup.com/TXMMP](http://www.myamerigroup.com/TXMMP).

- A **Primary Care Provider** (PCP) is a family doctor, OB/GYN, nurse practitioner, or physician assistant who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** to see a specialist or someone that is not your primary care provider (PCP). A **referral** means that your PCP must give you approval before you can see someone that is not your PCP. If you don't get a referral, Amerigroup STAR+PLUS MMP may not cover the service.
  - Referrals from your network PCP **or** our plan are not needed for:
    - Emergency care;
    - Urgently needed care;
    - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; **or**
    - Services from a women's health specialist.
    - 24-Hour Nurse HelpLine
  - Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
  - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- You also have access to a [**service coordinator and/or a service coordination team**] that you choose.
  - A **Service Coordinator** helps you manage your medical providers and services.

---

**If you have questions**, please call Amerigroup STAR+PLUS MMP at 1-855-878-1784 (TTY: 711), Monday through Friday from 8 a.m. to 8 p.m. The call is free. **For more information**, visit [www.myamerigroup.com/TXMMP](http://www.myamerigroup.com/TXMMP).

- Your **service coordination team** helps to coordinate your care. Everyone on the service coordination team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

○

## **B2. Primary Care Provider (PCP)**

You can get services from any provider who is in our network and accepting new members.

First, you should choose a Primary Care Provider. You may be able to have a specialist act as your PCP.

Your Primary Care Provider (PCP) is your main doctor and will be responsible for providing many of your preventive and primary care services. Your PCP will help create your personal care plan and will recommend or ask for many of the services you'll get through your health plan.

Your PCP can be one of the following providers, or under certain circumstances such as pregnancy, a specialist:

- Family practice
- Internal medicine
- General practice
- OB/GYN
- Geriatrics
- Pediatricians
- Federally Qualified Health Center (FQHC)/Rural Health Clinic (RHC)

To choose a PCP, go to the list of providers on page **12** and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.

- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

### **B3. Long-term services and supports (LTSS)**

As an Amerigroup STAR+PLUS MMP member, you may be able to get long-term services and supports (LTSS), such as adult day care, nursing facility care, and more. LTSS help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

Your service coordinator can tell you more about available services, the eligibility requirements, and how to apply for these programs.

### **B4. How to identify providers in Amerigroup STAR+PLUS MMP's network**

You may need a referral to see someone who is not a Primary Care Provider. There is more information about referrals in Section B1 of this *Provider and Pharmacy Directory* on page 2.

You must get all of your covered services from providers within our network. If you go to providers who are not in Amerigroup STAR+PLUS MMP's network (without prior authorization or approval from us), you will have to pay the bill.

A **prior authorization** is an approval from Amerigroup STAR+PLUS MMP before you can get a specific service, drug, or see an out-of-network provider. Amerigroup STAR+PLUS MMP may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if Amerigroup STAR+PLUS MMP gives you permission first.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider. For some providers, you may need a referral from your PCP.

---

**If you have questions**, please call Amerigroup STAR+PLUS MMP at 1-855-878-1784 (TTY: 711), Monday through Friday from 8 a.m. to 8 p.m. The call is free. **For more information**, visit [www.myamerigroup.com/TXMMP](http://www.myamerigroup.com/TXMMP).

- Amerigroup STAR+PLUS MMP works with all the providers in our network to accommodate the needs of people with disabilities. The list of network providers below includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodations you need, Amerigroup STAR+PLUS MMP can help you. Talk to your *service coordination team or service coordinator* for assistance.

## D. List of network pharmacies

This part of the Directory provides a list of pharmacies in Amerigroup STAR+PLUS MMP's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside El Paso County in which you live. You may also fill your prescriptions at these pharmacies. Please contact Amerigroup STAR+PLUS MMP at 1-855-878-1784 (TTY: 711), Monday through Friday from 8 a.m. to 8 p.m. local time, for additional information.

- Amerigroup STAR+PLUS MMP members must use network pharmacies to get prescription drugs.
  - You must use network pharmacies except in emergency or urgent care situations.
  - If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the Amerigroup STAR+PLUS MMP *Member Handbook* for more information.
- Some network pharmacies may not be listed in this Directory.
  - Some network pharmacies may have been added or removed from our plan after this Directory was published.

For up-to-date information about Amerigroup STAR+PLUS MMP network pharmacies in your area, please visit our website at [www.myamerigroup.com/TXmmp](http://www.myamerigroup.com/TXmmp) or call Member Services at 1-855-878-1784 (TTY: 711), Monday through Friday from 8 a.m. to 8 p.m. local time. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and Amerigroup STAR+PLUS MMP's *List of Covered Drugs*. The *List of Covered Drugs* is also online at [www.myamerigroup.com/TXmmp](http://www.myamerigroup.com/TXmmp).

### D1. How to identify pharmacies in Amerigroup STAR+PLUS MMP's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.

**If you have questions**, please call Amerigroup STAR+PLUS MMP at 1-855-878-1784 (TTY: 711), Monday through Friday from 8 a.m. to 8 p.m. The call is free. **For more information**, visit [www.myamerigroup.com/TXMMP](http://www.myamerigroup.com/TXMMP).

- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) pharmacies
- Specialty Pharmacy – Pharmacies that supply drugs requiring special handling and instructions in their use.

- **93-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 93-day supply of covered prescription drugs. **A 93-day supply has the same copay as a one-month supply.**
