Finding the ways to get you what you need

Helping our members get the best possible health care is our number one priority. It's what we do every day.

How to choose your PCP

We can help you choose your primary care provider (PCP). Use this directory to find a PCP nearby who accepts new patients. If you need help finding a PCP, you can either:

- Call us at 1-800-600-4441 (TTY 711)
- Visit directory.amerigroup.com

Find a doctor on your smartphone or tablet at directory.amerigroup.com.

Your PCP will:

- Give you all the basic health services you need
- Send you to other doctors or hospitals when you need special health care

How to get OB/GYN services

You can see a plan OB/GYN without a referral from your PCP for services like:

- Well-woman visits
- Pregnancy care
- Care for any female medical condition
- Family planning

You may also be able to choose an OB/GYN as your PCP. Call Member Services at 1-800-600-4441 (TTY 711) and tell us the name of the OB/GYN you want as your PCP.

How to help your children stay healthy

Babies and children need more care to get a good start in life. That's why it's important for children to get well-child checkups on time. Your member guide tells you how often children should see their PCP for wellness visits. These visits also help doctors find health problems early when it's easiest to take care of them. During a wellness visit, your child will get things like:

- Height/weight checks
- Immunizations (shots)
- Tests for TB, lead and other health problems
- Eye and ear tests
- Physical exams
- Nutrition reviews
- Tips about safety and health

You can get wellness visits for children under age 21 from any Amerigroup doctor. You don't need a referral. If you need help finding a PCP for your child, either:

- Call Member Services at 1-800-600-4441 (TTY 711)
- Visit directory.amerigroup.com for our most current list of doctors

How to get specialist care

Your PCP will send you to other doctors (called specialists) or hospitals if you need special care. This is called a referral.

That means your PCP:

- Agrees you need special care for a problem
- Will send you to a doctor that specializes in your problem, like a/an:
  - Allergist (for allergy problems)
  - Cardiologist (for heart problems)
  - Dermatologist (for skin problems)

Make sure your specialist is in our plan so your care will be paid for.

Federally Qualified Health Centers and Rural Health Clinics

You can get services (like health screenings and shots for kids) from Federally Qualified Health Centers (FQHCs) and Rural Health Clinics (RHCs) if they're:

- In our health plan
- In your service area and you ask for these services

You can get services from non-plan FQHCs or RHCs if a plan provider isn't in your service area. We also pay for behavioral health services given at an FQHC or RHC.

If you don't see an FQHC or RHC provider's name listed in our directory, you can visit directory.amerigroup.com or call Member Services toll free at 1-800-600-4441 (TTY 711).

How to get pharmacy services

You may go to any pharmacy in our health plan to get your prescriptions. Be sure to show your Amerigroup member ID card to the pharmacy. If you're not sure if a drugstore is in our plan, ask the pharmacist.

How to get urgent and emergency care

If you're sick or hurt and your doctor's office is closed, you can call an urgent care clinic for help. Our after-hours and urgent care providers and their hours are listed in this directory.
In an emergency, always go to the nearest emergency room or call 911.

Getting care is easy. Just follow these steps:

- Choose a convenient location from this directory or
- Visit directory.amerigroup.com and choose a location close to you
- Call them before you arrive
- Let the office know you're an Amerigroup member and you need after-hours care

If you need help finding a doctor in your area for after-hours or urgent care, call Amerigroup On Call toll free at 1-866-864-2544 (TTY 711). We're available 24 hours a day, 7 days a week.

Buscamos maneras de brindarle lo que necesita
Ayudar a nuestros miembros a obtener el mejor cuidado de la salud posible es nuestra prioridad número uno. Es lo que hacemos todos los días.

Cómo elegir su PCP
Podemos ayudarlo a elegir a su proveedor de cuidado primario (PCP). Use este directorio para encontrar un PCP cerca suyo que acepte nuevos pacientes. Si necesita ayuda para encontrar un PCP, usted puede:

- llamarnos al 1-800-600-4441 (TTY 711);
- ingresar en directory.amerigroup.com.

Encuentre un doctor en su teléfono inteligente o tableta ingresando en directory.amerigroup.com.

Su PCP se encargará de:
- brindarle todos los servicios básicos de salud que necesite;
- derivarlo a otros doctores u hospitales cuando necesite cuidado de la salud especializado.

Cómo recibir servicios de un obstetra/ginecólogo
Puede ver a un obstetra/ginecólogo que esté dentro del plan sin necesidad de una remisión de su PCP para los siguientes servicios:
- visitas de mujer sana,
- cuidado del embarazo,
- cuidados para cualquier condición médica femenina,
- planificación familiar.

También puede elegir a un obstetra/ginecólogo como su PCP. Llame a Servicios al Miembro al 1-800-600-4441 (TTY 711) y denos el nombre del obstetra/ginecólogo que desea como PCP.

Cómo ayudar a sus niños a mantenerse sanos
Los bebés y niños necesitan más cuidados para comenzar la vida de manera saludable. Por este motivo es importante que los niños se hagan chequeos de niño sano a tiempo. La guía de miembro le indica con qué frecuencia los niños deberían realizar visitas de bienestar con su PCP. Estas visitas también ayudan a los doctores a detectar los problemas de salud lo antes posible, cuando es más fácil solucionarlos. Durante una visita de bienestar, su hijo recibe servicios como:
- controles de altura/peso;
- vacunaciones (inmunizaciones);
- exámenes para detectar tuberculosis (TB), plomo y otros problemas de salud;
- exámenes oftalmológicos y auditivos;
- exámenes físicos;
- exámenes nutricionales;
- consejos de salud y seguridad.

Los menores de 21 años pueden acceder a las visitas de bienestar con cualquier doctor de Amerigroup. No es necesaria una remisión. Si necesita ayuda para encontrar un PCP para su hijo, usted puede:
- llamar a Servicios al Miembro al 1-800-600-4441 (TTY 711);
- o ingresar en directory.amerigroup.com para ver nuestra lista de doctores más actualizada.

Cómo obtener cuidados de un especialista
Su PCP lo derivará a otros doctores (llamados especialistas) u hospitales si usted necesita cuidado especializado. Esto se conoce como una remisión.

Esto significa que su PCP:
- Está de acuerdo en que usted necesita cuidados especiales.
- Lo derivará a un doctor que se especializa en su problema, como por ejemplo un:
  - alergista (para problemas de alergias);
  - cardiólogo (para problemas cardíacos);
  - dermatólogo (para problemas cutáneos).

Asegúrese de que el especialista esté dentro de nuestro plan para que su cuidado esté cubierto.

Centros de salud federales calificados y clínicas rurales de salud
Usted puede obtener servicios (como exámenes de detección y vacunas para niños) en centros de salud calificados a nivel federal (Federally Qualified Health Centers, FQHCs) y clínicas de salud rurales (Rural Health Clinics, RHCs) si:
- están dentro de nuestro plan de salud;
- están dentro de su área de servicio y usted solicita estos servicios.

Puede recibir servicios de FQHCs o RHCs que estén fuera del plan si no hay ningún proveedor dentro del plan en su área de servicio. También cubrimos los servicios de salud del comportamiento que se brindan en un FQHC o RHC.

Si no encuentra el nombre de un proveedor de FQHC o RHC en nuestro directorio, puede ingresar en directory.amerigroup.com o llamar al número gratuito de Servicios al Miembro al 1-800-600-4441 (TTY 711).

Cómo recibir servicios farmacéuticos
Puede dirigirse a cualquier farmacia que esté dentro de nuestro plan de salud para obtener sus medicamentos recetados. Asegúrese de mostrar su tarjeta de identificación de miembro de Amerigroup en la farmacia. Si no está seguro de que la farmacia esté dentro de nuestro plan, pregúnteselo al farmacéutico.

Cómo obtener cuidado de urgencia y de emergencia
Si está enfermo o lastimado y el consultorio de su doctor está cerrado, puede llamar a una clínica de cuidado de urgencia para recibir ayuda. En este directorio encontrará una lista de nuestros proveedores de cuidado de urgencia y proveedores que atienden fuera del horario normal, y sus horarios de atención.
En un caso de emergencia, vaya siempre a la sala de emergencias más cercana o llame al 911.
