- Another behavioral health or substance use disorder provider in your plan

**You don't need a referral from your PCP to see behavioral health specialists in your plan.** There are some treatments and services that need preapproval before you can get them. To learn more, talk to your doctor.

To find out more about your benefits, go to [www.myamerigroup.com/WA](http://www.myamerigroup.com/WA).

### How to choose your PCP

Medicaid and Integrated Managed Care members need a primary care provider (PCP). This is your main doctor who will give you most of your care. We can help you choose your PCP. Use this directory to find a PCP nearby who accepts new patients. If you need help finding a PCP, you can:

- Call us at 1-800-600-4441 (TTY 711)
- Search for a provider using our online **Find a Doctor** tool at [www.myamerigroup.com/WA](http://www.myamerigroup.com/WA)

Your PCP will:

- Give you all the basic health services you need
- Send you to other doctors or hospitals when you need special health care

### How to get OB/GYN services

You can see a plan OB/GYN without a referral from your PCP for services like:

- Well-woman visits
- Pregnancy care
- Care for any female medical condition
- Family planning

You may also be able to choose an OB/GYN as your PCP. Call Member Services at 1-800-600-4441 (TTY 711) and tell us the name of the OB/GYN you want as your PCP.

### How to help your children stay healthy

Babies and children need more care to get a good start in life. That's why it's important for children to get well-child checkups on time. Your member guide tells you how often children should see their PCP for wellness visits. These visits also help doctors find health problems early when it's easiest to take care of them. During a wellness visit, your child will get things like:

- Physical exams
- Immunizations (shots)
- Tests for TB, lead and other health problems
- Eye and ear tests
- And more

You can get wellness visits for children under age 21 from any Amerigroup doctor. You don't need a referral. If you need help finding a PCP for your child, either:

- Call Member Services at 1-800-600-4441 (TTY 711) or
- Choose **Find a Doctor** at [www.myamerigroup.com/WA](http://www.myamerigroup.com/WA) for our most current list of doctors.

### How to get specialist care

Your PCP will send you to other doctors (called specialists) or hospitals if you need special care. This is called a referral.

That means your PCP:

- Agrees you need special care for a specific condition
- Will send you to a doctor that specializes in your problem, like a/an:
  - Allergist (for allergy problems)
  - Cardiologist (for heart problems)
  - Dermatologist (for skin problems)

Make sure your specialist is in our plan so your care will be paid for.

### Federally Qualified Health Centers and Rural Health Clinics

You can get services (like health screenings and shots for kids) from Federally Qualified Health Centers (FQHCs) and Rural Health Clinics (RHCs) if they're:

- In our health plan
- In your service area and you ask for these services

You can get services from non-plan FQHCs or RHCs if a plan provider isn't in your service area. We also pay for behavioral health services given at an FQHC or RHC.

If you don't see an FQHC or RHC provider's name listed in our directory, you can visit [www.myamerigroup.com/WA](http://www.myamerigroup.com/WA) and use our online **Find a Doctor** tool or call Member Services toll free at 1-800-600-4441 (TTY 711).

### How to get pharmacy services

You may go to any pharmacy in our health plan to get your prescriptions. Be sure to show your Amerigroup member ID card to the pharmacy. If you're not sure if a drugstore is in our plan, ask the pharmacist.

### How to get urgent and emergency care

If you're sick or hurt and your doctor's office is closed, you can call an urgent care clinic for help. Our after-hours and urgent care providers and their hours are listed in this directory. In an emergency, always go to the nearest emergency room or call 911.

Getting care is easy. Just follow these steps:

- Choose a convenient location from this directory or use our **Find a Doctor** tool to search for providers by name, type or location. Visit [www.myamerigroup.com/WA](http://www.myamerigroup.com/WA).

### Cómo elegir su PCP

Los miembros de Medicaid y Integrated Managed Care necesitan un proveedor de cuidado primario (PCP). Este es su doctor principal, quien le brinda cuidado en la mayoría de los casos. Podemos ayudarlo a elegir a su PCP. Use este directorio para encontrar un PCP cerca de usted que admita nuevos pacientes. Si necesita ayuda para encontrar un PCP, puede hacer lo siguiente:

- Llámenos al 1-800-600-4441 (TTY 711).
- Use la herramienta en línea **Find a Doctor** (Buscar un doctor) en [www.myamerigroup.com/WA](http://www.myamerigroup.com/WA) para buscar un proveedor.

Su PCP:

- Le prestará todos los servicios básicos de salud que necesite
- Derivará su caso a otros doctores u hospitales cuando necesite cuidado de la salud especial

### Cómo recibir servicios de un gineco-obstetra

Puede consultar a un gineco-obstetra sin un referido de su PCP por ciertos servicios, como los siguientes:

- Visitas de mujeres sanas
- Cuidados durante el embarazo
- Tratamiento de los problemas médicos de la mujer
- Planificación familiar

Es posible que pueda elegir a un gineco-obstetra como su PCP. Comuníquese con Member Services al 1-800-600-4441 (TTY 711) y denos el nombre del gineco-obstetra que desea como su PCP.

### Cómo ayudar a sus hijos a mantenerse saludables

Los bebés y los niños necesitan más cuidado para comenzar la vida de buena manera. Por eso, es importante que los niños realicen chequeos de niño sano cuando corresponda. En la guía para miembros, se indica con cuánta frecuencia los niños deberían ver a su PCP para hacerse chequeos de niño sano. Estas visitas también ayudan a los doctores a detectar los problemas de salud lo antes posible, cuando es más fácil

tratarlos. Durante una visita de bienestar, su hijo recibe servicios tales como:

- Exámenes físicos
- Vacunaciones (inmunizaciones)
- Análisis de tuberculosis, plomo y otros problemas de la salud
- Exámenes oftalmológicos y auditivos
- Y mucho más

Usted puede obtener visitas de bienestar para niños menores de 21 años de parte de cualquier doctor de Amerigroup. No necesita un referido. Si necesita ayuda para encontrar un PCP para su hijo:

- Llame a Servicios al Miembro, al 1-800-600-4441 (TTY 711) o
- Utilice la herramienta **Find a Doctor** en [www.myamerigroup.com/WA](http://www.myamerigroup.com/WA) para obtener el listado de doctores más actualizado.

### Cómo obtener cuidados de especialistas

Su PCP realizará la derivación a otros tipos de doctores, llamados especialistas, o a hospitales si usted necesita cuidados especiales. Esto se conoce como un referido.

Esto significa que su PCP:

- Está de acuerdo con que usted necesita cuidados especiales para un afección específica
- Lo derivará a un doctor especializado en su problema, como un:
  - alergista (para problemas de alergias);
  - cardiólogo (para problemas cardíacos);
  - dermatólogo (para problemas cutáneos).

Asegúrese de que su especialista esté dentro de nuestro plan, para que su cuidado esté cubierto.

### Federally Qualified Health Centers (Centros de salud con calificación federal) y Rural Health Clinics (Clínicas rurales de salud)

Usted puede obtener ciertos servicios (como exámenes de detección y vacunas para niños) en Federally Qualified Health Centers (FQHCs) y Rural Health Clinics (RHCs) en los siguientes casos:

- están dentro de nuestro plan de salud;

- están dentro de su área de servicios y usted solicita estos servicios.

Usted puede obtener servicios de FQHCs o RHCs si cierto proveedor del plan no se encuentra dentro de su área de servicios. También cubrimos todos los servicios de salud del comportamiento que se brindan en un FQHC o una RHC.

Si no ve el nombre de algún proveedor de FQHC o RHC en nuestro directorio, puede visitar el sitio web [www.myamerigroup.com/WA](http://www.myamerigroup.com/WA) y usar nuestra herramienta en línea **Find a Doctor** o llamar a la línea gratuita de Servicios al Miembro al 1-800-600-4441 (TTY 711).

### **Cómo obtener servicios de farmacia**

Usted puede ir a cualquier farmacia de nuestro plan de salud para que le surtan las recetas. Asegúrese de mostrar en la farmacia su tarjeta de identificación de miembro de Amerigroup. Si no está seguro de si una farmacia está en nuestro plan, pregúntele al farmacéutico.

### **Cómo obtener cuidado de urgencia y de emergencia**

## Ancillary providers

### Dental services

**Apple Health:** Dental benefits for Apple Health members age 20 and younger and adults age 21 and older are paid through fee-for-service Medicaid instead of Amerigroup. If you need help finding a dentist or have questions, call Medicaid Customer Service at 1-800-562-3022 (TTY 1-800-848-5429).

Dental benefits for Apple Health members are limited to repair to the natural teeth or jaw due to accidental injury. See your Apple Health member handbook for information.

### Get durable medical equipment or home health care

An Amerigroup doctor must order all services, supplies and gear.

### Get transportation assistance

For medical emergencies, call 911. Apple Health pays for transportation services to and from necessary non-emergency physical and behavioral health care appointments. To learn more, visit: <http://www.hca.wa.gov/transportation-help>

## Proveedores auxiliares

### Servicios dentales

**Apple Health:** Los beneficios dentales para los miembros de Apple Health de 20 años y menores, y para los adultos de 21 años y mayores, están cubiertos a través de Medicaid con cargo por servicio en vez de Amerigroup. Si necesita ayuda para buscar un dentista o si tiene preguntas, llame al Servicio de Atención al Cliente de Medicaid al 1-800-562-3022 (TTY 1-800-848-5429).

Los beneficios dentales de los miembros de Apple Health se limitan a reparar los dientes naturales o la mandíbula a causa de una lesión accidental. Consulte su manual del miembro de Apple Health para conocer más detalles.

### Obtenga equipos médicos duraderos o cuidado de la salud en el hogar

Un doctor de Amerigroup debe pedir todos los servicios, suministros y equipamientos.

### Obtenga asistencia de transporte

Ante emergencias médicas, llame al 911. Apple Health cubre los servicios de transporte de ida y vuelta a las citas necesarias de cuidado de la salud física y del comportamiento que no se traten de casos de emergencia. Para obtener más información, visite:
